

ADA Service

ADA service is available for people who are ADA certified and not able to access SMART Fixed Route service. The ADA service will pick up at your home or destination if it is within $\frac{3}{4}$ of a mile from any Fixed Route during times of operation. All vehicles are equipped with lifts to accommodate wheelchairs and scooters, as well as for those using canes and walkers. Upon request by ADA certified individuals, SMART drivers will offer door-to-door assistance.

This brochure is intended to provide details on how to become ADA certified and book, cancel and confirm a trip. For further information, contact SMART's ADA Clerk at (313) 223-2305.

SMART is the regional transit provider for southeast Michigan. As part of our family of services, SMART offers Fixed Route, Connector Small Bus, and Americans with Disabilities (ADA) service, connecting citizens to work, doctors' appointments, school, shopping and much more!

Door-to-Door Service

Safe door-to-door assistance is important.

Prior to your trip you should:

- Clear pathways and driveways of snow and ice
- Secure dogs in the yard or within the residence

Door-to-door assistance allows drivers to offer the following:

- Arm guidance, as in
 - Passengers are allowed to take the driver's arm just above elbow
 - Drivers may assist going up and down one step going to or from the SMART vehicle
- Manual wheelchair assistance meaning
 - Driver may push a manual wheelchair going to or from a SMART vehicle
 - Drivers will not operate the controls or push a power wheelchair

For your safety, and the safety of our drivers, at no time is the driver allowed to enter into your home.
