

SMART is hosting its first scavenger hunt over the weekend of November 2nd and 3rd on the three FAST routes: Gratiot, Woodward and Michigan.

This is a fun and interactive way for new and seasoned riders alike to test out the newest payment options, the Dart Pass, and check out small businesses along SMART FAST routes.

Here's how it works:

- Decide which route you will be playing on. Then review the route map and the riddles below.
- Purchase a Dart pass on your Dart App or on the bus!
- Once you have solved the riddle and identified the business, take a photo outside of the business and hashtag the photo #FASTScavengerHunt and tag SMART using Facebook or Twitter.
- Once you get to the fourth and final business, include the hashtag #CompletedFASTScavengerHunt with your photo
 - They do not have to be completed in order.
- The first person or group to visit all four businesses and properly tag their photo wins. There will be one winner (or group of winners) per FAST route.
- Winners will receive a free Dart Pass!

While the chance to win a pass is only for the first person or group to complete the scavenger hunt on the weekend of November 2nd and 3rd, the game will remain on our website for anyone just looking for an afternoon activity.

FAST Gratiot

- 1 Since 1975, this bar has been doing Irish right! Which bar is the hottest spot to celebrate St. Patrick's Day?
