Suburban Mobility Authority for Regional Transportation **3rd Quarter Financial Report**

> FY2023 – March 31, 2023 As Presented By: Finance Department

3rd Quarter FY2023 Financial Reports

Submitted By: Ryan Byrne, CFO

5/25/23

The third quarter financial statement of FY 2023 has been completed. SMART's balance sheet remains stable. As compared to third quarter FY2022, FY2023 total assets for the same period are 3.6% higher. The key individual asset that supports the asset increase is Cash and Cash Equivalents, due to additional efforts to collect grants receivable more timely. Total third quarter FY2023 liabilities (excluding pension and OPEB) are up 12.6% as compared to third quarter FY2022. This overall liability increase is largely a result of the timing of payments on the Authority's accounts payable, and payables under to the State of Michigan under the Act 51 program. The net asset unrestricted balance remains positive, meaning the authority maintains a surplus of assets over liabilities.

Third quarter FY2023, overall revenues compared to FY2023 overall appropriation is below target by approximately 3.09% or \$3.7M. Fare revenue remains lower than pre pandemic levels, as a result of lower ridership. State reimbursements were lower than budget as a result of lower eligible expenditures.

Third quarter FY2023, overall actual expenditures compared to FY 2023 appropriation for the same time period are currently 13.39% below FY2023 appropriation. Fixed route costs, as well as connector and general administration personal services costs (wages and fringes) are down as compared to current appropriation. This trend is largely due to open fixed route and connector bus positions, and reduced service miles as compared to pre pandemic levels.

I will be available to answer any questions regarding this report at the Board's convenience.

agenda item

DATE:	May 25, 2023
TO:	SMART Board of Directors
FROM:	Planning and Innovation Dept.

DISPOSITION SOUGHT: SUBMITTED BY: APPROVED BY:

Board Approval Deputy General Manager General Manager

SUBJECT: Service Modifications with Service Equity Analysis

RECOMMENDATION

That the board approves the attached resolution for the:

- recommended service modification; and
- Service Equity Analysis; and
- submittal of Analysis to the FTA to remain eligible for FTA funding.

DISCUSSION

In February 2023, the SMART Board of Directors approved the Oakland County Service Plan, (OCSP) which included multiple areas of improvements, changes, and adjustments to SMART services over the next few months. Staff in conjunction with Oakland County officials have selected the initial set of changes in the plan. The staff has conducted all the necessary procedures to begin the implementation process. In addition to the improvements identified in the OCSP, SMART staff is recommending additional service modifications to match service levels with staffing capabilities and ridership levels.

As part of the process to remain eligible for federal capital improvement and operating grants, SMART is required to conduct public hearings when major service modifications are proposed. SMART must also conduct a service equity analysis whenever fixed route service changes exceed a 25% change in route miles or revenue miles.

The staff has undertaken a complete review of SMART's Key Performance Indicators (KPIs) including headways, ridership, and driver allocations, and is recommending the following new and modified routes:

- 305 Grand River extend current route from Farmington Hills through Novi to Wixom.
- 400 Southfield/Orchard Ridge discontinue route.
- **430 Main Street** operate peak service only.
- 450/462 Woodward/FAST operate new service in Bloomfield Hills.
- **492 Rochester Road** new route on Rochester Road from Troy through Rochester to Auburn Hills.
- **740 Twelve Mile** extend current route from Farmington Hills through Novi to Wixom.
- **759 Highland Road** new route from Auburn Hills through Pontiac, Waterford, and White Lake Twp. along Highland Road (M-59).
- **790 Pontiac Perry/Opdyke** modify current route to better serve Pontiac and Auburn Hills.
- 805 Grand River P&R extend current service from Farmington Hills to Novi.
- **851 W. Bloomfield/Farmington Hills P&R** extend current route from W. Bloomfield through Orchard Lake, Keego Harbor, and Sylvan Lake via Orchard Lake Road.
- 760 Thirteen Mile/Fourteen Mile discontinue route on Saturdays.
- **796 Pontiac Perry/Opdyke** discontinue route on Saturday.

The Service Equity Analysis is attached. The general objectives of the Service Equity Analysis are:

- To minimize Disparate Impacts on minorities
- To minimize Disproportionate Burdens on the low-income population
- If SMART finds a potential disparate impact or disproportionate burden, the agency will take steps to avoid, minimize or mitigate impacts then reanalyze the modified service plan to determine whether the

impacts were removed. If SMART chooses not to alter the proposed changes, the agency may implement the service change if there is a substantial legitimate justification for the change AND the agency can show that there are no alternatives that would have less of an impact on the minority/low-income population and would still accomplish the agency's legitimate program goals.

SMART staff has conducted 3 in-person public hearings and 1 virtual public engagement session via Zoom. Staff posted the proposed changes and notified the public through SMART's website, on the inside of buses, and on social media (Twitter/Facebook/text messaging), all of which provided information to the public on the proposed service modifications. Staff also posted a narrated PowerPoint presentation on its website. The PowerPoint was viewed approximately 300 times.

In addition, comments were gathered via email at publichearing@smartbus.org and regular mail.

Following SMART Policy, a notice of these hearings was placed in the Detroit Free Press/Detroit News, the Michigan Chronicle, and in the SMART ticket sales office and website twenty days in advance of the first hearing. Dates, locations, and the number of people attending these hearings were:

PUBLIC MEETING

May 11, 2023, 5 P.M. SMART Virtual Engagement Public in attendance – 44

PUBLIC HEARINGS

May 15, 2023, 5 P.M. Oakland University - Oakland Center 312 Meadow Brook Road Rochester, MI 48309 Public in attendance - 28 May 16, 2023, 5:00 P.M. Farmington Hills Community Center – The Hawk 29995 W. 12 Mile Road Farmington Hills, MI 48334 Public in attendance - 12

May 18, 2023, 5 P.M. Berkley City Hall 3338 Coolidge Hwy. Berkley, MI 48072 Public in attendance - 19

FUNDING SOURCE:

The budget for the proposed service modifications is contained in the fiscal year 2024 budget.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION RESOLUTION

	Approval of Oakland County Service Modifications and Service Equity Analysis
Whereas,	The Suburban Mobility Authority for Regional Transportation is charged with the planning, operation, and improvement of regional public transportation in southeastern Michigan; and
Whereas,	Staff is seeking approval to implement a series of route modifications outlined in this item; and
Whereas,	In order to remain eligible for federal funding, pursuant to the regulations outlined in Federal Circular C 4702.1B dated October 1, 2012, SMART's Title VI Program must be followed with regard to major services changes by its board of directors who are responsible for the policy decisions at SMART; and
Whereas,	SMART must conduct a Service Equity Analysis on the routes that have had a major service change; and
Whereas,	The major service changes and reports must be approved by the governing body of SMART, and
Whereas,	According to Circular C4702.1B, once approved by SMART, the Service Equity Analysis must be submitted to the FTA; now, therefore, be it
<u>Resolved</u> ,	That the Authority's proposed route modifications and Major Service Change / Service Equity Analysis referred to herein are approved and the General Manager of the Suburban Mobility Authority for Regional Transportation is authorized to implement the changes and submit the Major Service Change / Service Equity Analysis to the FTA.

CERTIFICATE

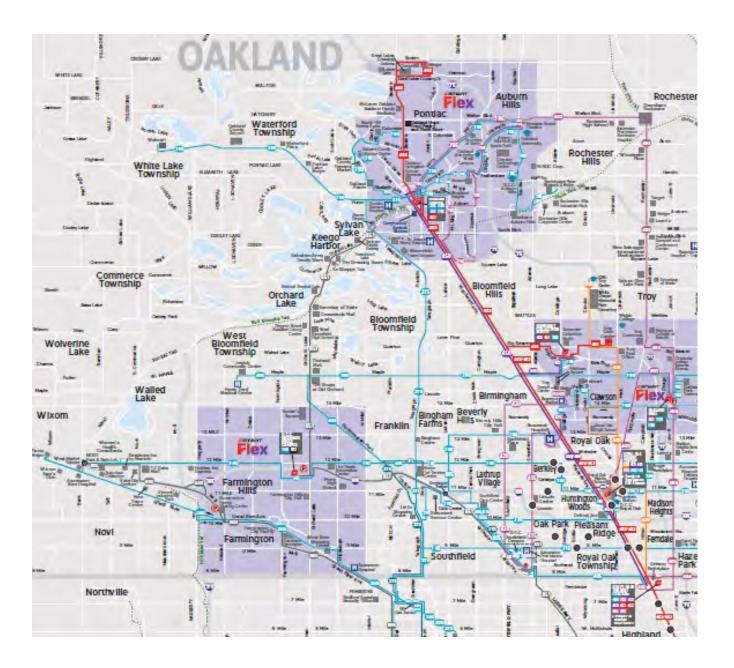

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

Date

Board Secretary

New Oakland County Service Map – May, 2023

Title VI Service Equity Analysis for

Oakland County Fixed Route Service Modifications

May 2023

Purpose

In compliance with Title VI of the Civil Rights Act of 1964, the Federal Transit Administration (FTA) requires all transit agencies receiving federal funding to monitor the performance of their systems, ensuring services are made available and/or distributed equitably. Each transit agency must develop a Title VI Program to document its policies and procedures for meeting FTA requirements. The SMART Title VI Program stipulates that any major service change must be evaluated to determine its impact on minority (race, ethnicity) and low-income populations.

The Suburban Mobility Authority for Regional Transportation (SMART) has been Southeast Michigan's regional public transportation provider since 1967. SMART offers safe and convenient transportation for people to connect to work, school, medical appointments, shopping centers, entertainment, and cultural events. SMART provides a variety of transit services including standard fixed route, FAST (high frequency fixed route), Connector (demand response), ADA Paratransit, Flex (on-demand microtransit), and Community Partnership Programs.

In November 2022, Oakland County voters approved a new transit millage expanding service at the county level. As a result, SMART and other transit agencies will be able to provide a greater level of service to Oakland County residents. There will no longer be "opt-out" communities and SMART will be a full partner with the County, as well as other transit agencies serving communities throughout the County. SMART is currently planning fixed route service expansions in northern and western Oakland County, where service was previously nonexistent.

This Title VI analysis will perform the following functions:

- Describe the Oakland County service changes that will take effect in 2023 or early 2024,
- Determine whether the changes constitute a "major service change" or not,
- Evaluate how the changes may impact low-income and minority populations, and
- Identify strategies to avoid, minimize, or mitigate any disproportionate burdens, disparate impacts, or any potential outcomes.

Relevant Policies

SMART's Service and Fare Equity Policy outlines how Title VI analysis should be performed for any major service change. The following definitions apply to this service change Title VI analysis:

- *Major Service Change:* A major service change is when 25 percent or more of a route's revenue miles or route miles (route length) are added or reduced. (SMART Service and Fare Equity Policy)
- *Disparate Impact*: SMART will consider a proposed major service change to have a disparate impact if the affected route's minority population is more than 10 percentage points greater than the system average (56.01%, including Detroit service corridors).
- *Disproportionate Burden*: SMART will consider a proposed major service change to have a disproportionate burden if the affected route's low-income population is more than 10 percentage points greater than the system average (31.29%, including Detroit service corridors).

Oakland County Service Changes

All phase one of Oakland County service changes following the countywide opt-in millage vote are detailed below:

- 305 Grand River Current route to be extended from Farmington Hills through Novi to Wixom.
- 400 Southfield route to be discontinued.
- 430 Main Street Operate peak service only.
- 450/462 Woodward/FAST Operate new service on current route in Bloomfield Hills.
- 492 Rochester Road New route on Rochester Rd from Troy though Rochester to Auburn Hills.
- 740 Twelve Mile Extend current route from Farmington Hills through Novi to Wixom.
- 759 Highland Road New route on M-59 from Auburn Hills though Pontiac, Waterford to White Lake Township.
- 760 Thirteen Mile/Fourteen Mile Discontinue Saturday service.
- 790 Pontiac Crosstown Modify current route to better serve Pontiac and Auburn Hills.
- 796 Pontiac/Perry Opdyke Discontinue Saturday service.
- 805 Grand River Park & Ride Extend current route from Farmington Hills to Novi.
- 851 West Bloomfield/Farmington Hills Park & Ride Extend current route from West Bloomfield Township through Orchard Lake, Keego Harbor, and Sylvan Lake via Orchard Lake Road.

Five of these changes exceed the "major service change" threshold of 25% and are the subject of this analysis. These routes are summarized in Table 1 below:

Table 1: Summary of major service changes in Oakland County	
---	--

Route	Change
305 Grand River	Route extended >25%
400 Southfield/Orchard Ridge	Route discontinued
430 Main Street	Service reduction >25%
492 Rochester Road	New route
759 Highland Road	New route

Impact of Service Changes

SMART policy requires that all major service changes be evaluated for any potential disproportionate burden or disparate impact. The impacts of proposed changes must be calculated to determine whether the change is a "major service change."

Title VI Review

A route will be considered minority or low-income if the mileage in these (minority or low-income) census block groups exceeds 1/3 of the total route miles. Table 2 shows these statistics of the affected routes and determination of minority and/or low-income status.

Route	Route Miles	Minority Miles	Percent Minority Miles	Low-Income Miles	Percent Low- Income Miles	Minority and/or Low-Income Route
305	33.82	15.52	45.89%	8.20	24.25%	YES
400	44.0	18.33	41.66%	3.65	8.30%	YES
430	30.36	2.52	8.30%	0	0%	NO
492	39.17	1.33	3.40%	0.39	1%	NO
759	31.96	9.79	30.63%	7.73	24.19%	NO

Table 2 - Census Block Group Analysis Along Routes

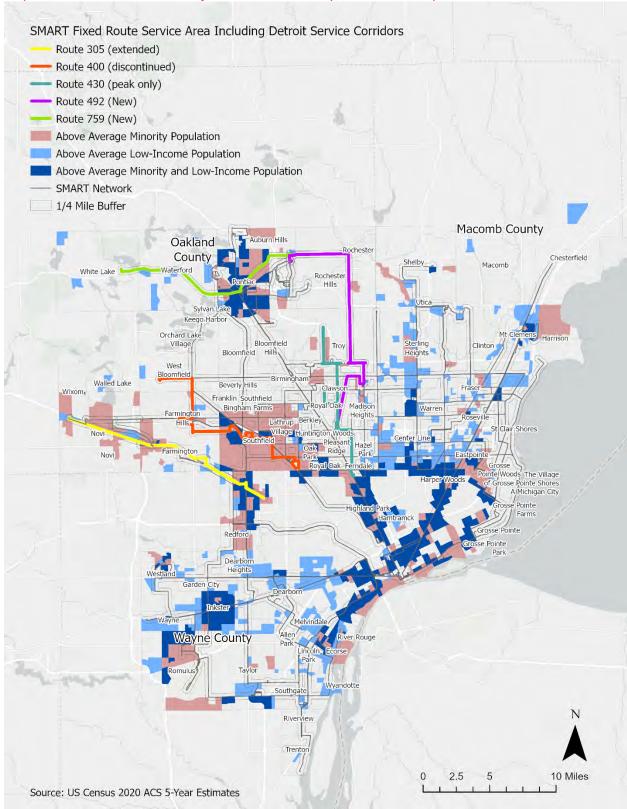

Table 3 depicts the demographic statistics for expanded, reduced, or eliminated routes. As stated previously, any adverse effects of eliminating these routes will be alleviated through alternative fixed route, paratransit, or on-demand services.

Census block groups are considered minority if the average minority population in any block group exceeds the SMART service area average of 56.01% (including Detroit service corridors).

Block groups are considered low-income if the average low-income population (<150% federal poverty) in any block group exceeds the SMART service area average of 31.29% (including Detroit service corridors).

Route	Population	Minority Population	% Minority	Low-income Population	% Low-income
305	27,900	16,740	60%	5,859	21%
400	27,500	17,875	65%	4,675	17%
430	25,200	5,544	22%	2,520	10%
492	28,100	9,835	35%	3,091	11%
759	22,600	12,656	56%	6,780	30%

Table 3 - Census Block Group Statistics Along Routes

Map 1 - Service Area, Route Modifications, and Minority/Low-Income Populations

Changes that will disproportionately impact minority and/or low-income populations Route 305 – Grand River

The planned extension of Route 305 will serve thousands of residents, many in minority and low-income communities, who were previously outside the SMART service area. It will connect communities along the Grand River Avenue corridor to a high density of commercial, civic, and healthcare destinations that have been unreachable by any public transit. The 305 Grand River is a local service currently operating at 60-minute frequencies between Northwest Detroit and Haggerty Road in Farmington Hills. The 11.5-mile extension of this route into Novi and Wixom will serve approximately 3,400 additional residents in these communities within a quarter mile of the route. New connections will include a hospital, several large retail centers, and an event center. The extended route will total 33.82 miles and serve nearly 28,000 residents in six communities.

Census data indicates that the concentration of minority residents living in the vicinity of Route 305 is higher than SMART's fixed route service area as a whole, so while the proposed changes will have a disproportionate impact on minority residents, it is SMART's analysis this impact will be positive for the minority and low-income residents. This route extension will allow SMART to better serve this population with fixed route and other transit services.

Route 400 – Southfield/Orchard Ridge

Route 400 is a local service operating in Southfield, Farmington Hills, and West Bloomfield Township. The route will be discontinued due to low ridership. More than 90% of this route's service is duplicated by other SMART and DDOT routes, as well as SMART Flex on-demand service in Farmington and Farmington Hills. Alternatives include SMART routes 405, 415, 420, 851, and multiple DDOT routes from Northland Center; route 710 Nine Mile; SMART routes 405, 730, and DDOT route 60 on Evergreen Rd; 275 South Telegraph; SMART routes 740 and 851 from Oakland Community College's Orchard Ridge campus; SMART routes 405 and 851 on Orchard Lake Road; and SMART routes 405 and 780 on Maple Road.

Census data indicates that the concentration of minority residents living in the vicinity of Route 400 is higher than SMART's service area as a whole. Minority residents may be disproportionately impacted by the elimination of service on route 400. However, service levels on other SMART and DDOT routes will compensate for this service reduction.

Public Participation Plan and Outreach

SMART engaged the public regarding these proposed service adjustments by holding three in-person hearings and one virtual community engagement meeting. The in-person hearings were held in communities where service changes are planned, or in adjacent communities, depending on whether the locations were accessible via public transport. Advance notice of the hearings and meeting was published in both major Detroit newspapers and the Michigan Chronicle at least two weeks prior to the events. At the hearings, SMART staff presented the proposed service adjustments, received comments, and discussed the changes with community members and local officials. A narrated slideshow was also made available to the public and received approximately 300 views. Public input will be considered when finalizing each of the service adjustments.

Conclusion

With Oakland County's shift to an expanded countywide millage structure, SMART plans to maintain its current service in the county and improve the system by evaluating fixed route and microtransit expansions. The fixed route changes detailed in this report are part of the first phase of this expansion. The changes detailed in this report are considered "major service changes" under SMART's policy. Eliminated service on route 400 is identified as a "major service change" that represents a disparate impact on minority populations.

A mitigation to the disparate impacts and disproportionate burdens of reduced service and eliminated routes would be the utilization of alternate fixed route services as well as paratransit and on-demand services, where available. SMART monitors fixed route ridership on a regular basis and plans to implement service adjustments accordingly where warranted by changing ridership patterns.

APPENDIX

Methodology and Analysis

Title VI Service Equity Analysis

Data Sources and Definitions

Data from the American Community Survey (ACS) and SMART ridership reporting were used to perform the Title VI analysis.

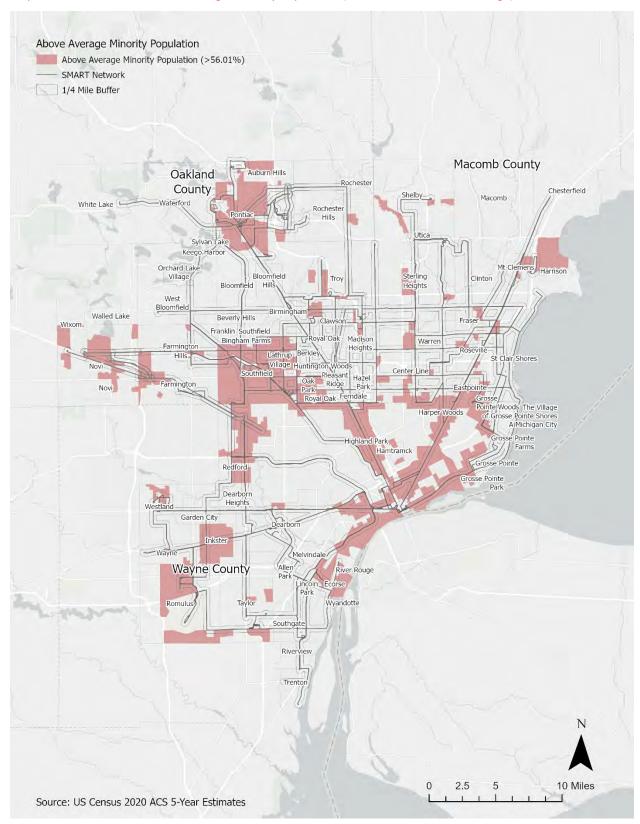

2020 ACS five-year estimates provided block-group-level population data for the existing network demographic analysis. For purposes of this analysis, the following origin by race categories was defined as a minority:

- Black or African American alone
- American Indian or Alaska Native alone
- Asian alone
- Native Hawaiian or Other Pacific Islander alone
- Hispanic or Latino alone
- "Other" race alone
- Two or more races

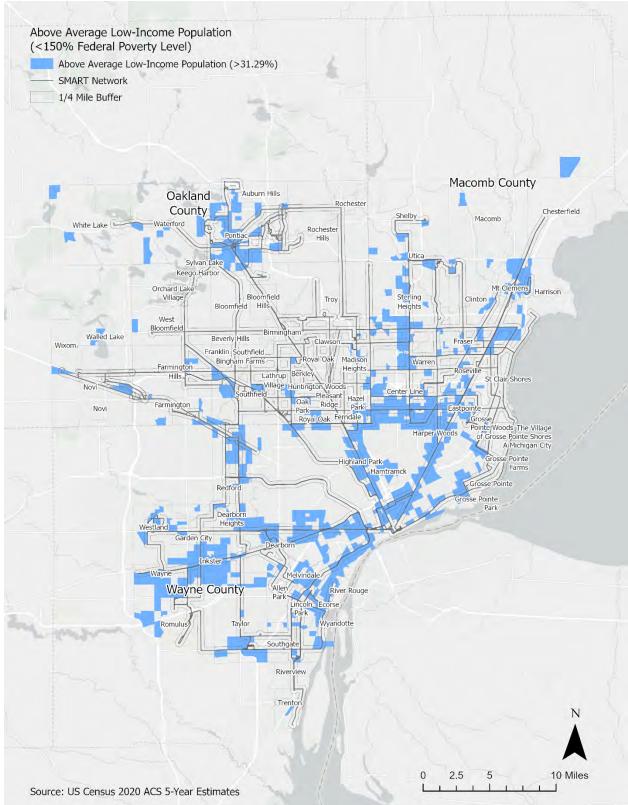

Individuals who reported in the ACS that their income over the previous 12 months fell below 150% of the federal poverty line were defined as low-income for the geographic analysis.

Geographic Concentrations of Minority and Low-Income Populations

Methodology: To evaluate which demographic groups would be impacted by the proposed service changes, geographic concentrations of minority and low-income populations were identified using Geographic Information Systems (GIS) analysis. All Census block groups were joined with 2020 ACS demographic data. All people living within a quarter mile of the SMART network were included in the analysis. The percentage of minority and low-income riders for each route were compared to the percentages for the total system, per SMART policy. A route with a major service change that serves a population that is 10 percentage points or more above the system average minority population or low-income population would indicate a disparate impact or disproportionate burden, respectively.

Map 3 - Service Area and Above Average Minority Population (>56.01% Service Area Average)

Map 3 - Service Area and Low-Income Population (>31.29% Service Area Average)

Attachment 1 – Notice of Public Hearings for Proposed Service Adjustments

NOTICE OF PUBLIC HEARING

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION (SMART)

Proposed Service Adjustments

Notice is hereby given that Public Hearings have been scheduled to consider the following proposals to modify service on the following routes:

- 305 Grand River extend current route from Farmington Hills through Novi to Wixom.
- 400 Southfield/Orchard Ridge discontinue route.
- 430 Main Street operate peak service only.
- 450/462 Woodward/FAST operate new service in Bloomfield Hills.
- 492 Rochester Road new route on Rochester Road from Troy through Rochester to Auburn Hills.
- 740 Twelve Mile extend current route from Farmington Hills through Novi to Wixom.
- 759 Highland Road new route from Auburn Hills through Pontiac, Waterford and White Lake Twp. along M-59.
- 790 Pontiac Perry/Opdyke modify current route to better serve Pontiac and Auburn Hills.
- 805 Grand River P&R extend current service from Farmington Hills to Novi.
- 851 W. Bloomfield/Farmington Hills P&R extend current route from W. Bloomfield through Orchard Lake, Keego Harbor and Sylvan Lake via Orchard Lake Road.
- 760 Thirteen Mile/Fourteen Mile discontinue route on Saturdays only.
- 796 Pontiac Perry/Opdyke discontinue route on Saturdays only.

Public Hearing – Monday, May 15, 2023, 5:00 p.m. Oakland University Oakland Center – Gold Room 312 Meadow Brook Rd. Rochester, MI 48309

Public Hearing – Tuesday, May 16, 2023, 5:00 p.m. The Hawk - Farmington Hills Community Center – 3rd Floor 29995 W 12 Mile Rd, Farmington Hills, MI 48334

Public Hearing – Thursday, May 18, 2023, 5:00 p.m. Berkley City Hall – Council Chambers

3338 Coolidge Hwy. Berkley, MI 48072

SMART will host a virtual community engagement session on Thursday, May 11, 2023, at 5:00 p.m. Please visit SMART's website for the link prior to the meeting.

An interpreter for the hearing impaired will be made available if SMART is contacted seven (7) days prior to the public hearings. Comments will also be accepted by telephone via Michigan Relay: 711 or calling 866-962-5515 option #2.

For those unable to attend the meetings, written comments will be accepted through May 18, 2023. Written comments should be addressed to "Public Hearing" and mailed to SMART Administrative Offices, 535 Griswold Street, Suite 600, Detroit, MI 48226. Comments may also be emailed to <u>PublicHearing@smartbus.org</u>.

Proposed service change information will be posted on SMART's website <u>www.smartmovesus.org</u> or you may call SMART Customer Care for details at (866) 962-5515, Monday – Friday from 5:30 a.m. – 7:30 p.m. and Saturday from 7:30 a.m. – 4:00 p.m.

SMART Administrative Offices PUBLIC HEARING Comments 535 Griswold Street Suite 600 Detroit, MI 48226

Via Email: PublicHearing@smartbus.org

Dear SMART Administrators,

Please accept this letter of **<u>public comment</u>** from Rochester University in response to the Suburban Mobility Authority for Regional Transportation (SMART) "Proposed Service Adjustments" and request for comment to be received by May 18, 2023.

Rochester University is committed to serving southeast Michigan as a premier institution of higher education. The University's location on Avon Road in Rochester Hills, has been a blessing to the students, alumni, staff, and faculty since our founding in 1959. Accredited by the Higher Learning Commission, the University seeks to prepare students for professional and personal success as they serve in God's world. We do this through cultivation of a diverse and welcoming community of learners with a focus on serving in neighborhoods, businesses, and organizations with justice and mercy.

Rochester University is <u>fully supportive</u> of the proposed SMART service adjustments to add a new 429 Rochester Road route on Rochester Road from Troy through Rochester Hills and Rochester to Auburn Hills, with a stop at Winchester Plaza. The University is certain this new route will open access for our 1,170 students to the regional centers of Pontiac and Detroit.

With this letter Rochester University respectfully <u>requests SMART add a stop</u> on our campus to the proposed route. We recognize SMART must be diligent in its consideration of routes and stops in order to provide the best possible service to the community. Please know that Rochester University is committed to doing all it can to make sure a stop on campus is safe and accessible to our students and the general public. We imagine a design where a bus could make a quick and safe pick-up loop off Avon onto a campus road and reenter Avon from both the southbound and northbound routes. Existing campus entrances, exits, traffic pattern loops,

and lanes on Avon Road all would be conducive to a safe and convenient off-of-Avon Road bus stop.

Rochester University is committed to serving our regional centers. Over 10% of our enrolled students are from the cities of Detroit and Pontiac and nearly 80% of our students commute to campus. A public transportation option from places where college students are traveling from makes sense not just for RU, but for our region. Rochester University has specifically invested in supporting the nonprofit community in Pontiac with community service days, targeted internships, and experiential learning trips. In the fall of 2024, Rochester University looks forward to deepening its ties with the city and joining SMART in the Webster Community Center with a permanent teaching space for our students to more fully learn from the city and for the city to have access to the resources of the University.

Rochester University appreciates the City of Rochester Hills sharing information about the proposed new bus route so that we may provide this public comment. We would ask that SMART add Rochester University, 800 W Avon Road, Rochester Hills, 48307, email: jvettraino@rochesteru.edu, to future public notice distributions regarding the expansion of service in the Rochester Hills area.

Thank you for your consideration of these requests. If you have any questions or if we can provide any additional information, please let me know.

Sincerely,

Fran 2. Stopen

Good evening,

I am opposed to the route eliminations and schedule cuts being proposed by SMART. This would be a step backward, and SMART needs to spend its time focusing on the no-show bus crisis by paying drivers competitive wages.

Subject:	Proposed 430 Route cuts

Dear SMART Board:

I am a Royal Oak resident who recently started incorporating bus travel into my life. I'm retired, so I take the 430 into Clawson and Troy during off-peak hours. I would ride it on weekends if that was an option.

I understand that there may not be demand for 430 service north of Big Beaver outside of commuting hours, but service to downtown Clawson, businesses on Maple and Livernois (such as the MJR movie theatre), and the Troy Community Center should still continue. If you need to trim service, please consider keeping or even increasing 430 service south of Big Beaver and limiting only the service north of Big Beaver to peak hours.

Also, as I wrote in an earlier email to SMART, **please stop getting distracted with Flex** and focus on providing fast, frequent, and reliable service on your fixed routes. Flex is not scalable and will get worse, not better, if demand increases -- see how rideshare services have actually made car congestion worse. Flex will also cannibalize fixed route service, leaving SMART with a terrible version of Uber/Lyft that no one will use by choice. You can't compete with Uber/Lyft, so don't even go there.

Contrast that with investing more resources into your fixed route bus service, which will get *better* as more people use it because the demand will (1) support more frequent service; (2) remove cars from the road, which will allow your buses to go faster; and therefore (3) entice more people to ride the bus, creating a virtuous cycle. If you want upper-middle class people like me to choose the bus over driving, make it competitive with car travel rather than an inferior choice. I've worked in Washington, DC, so I've experienced the freedom of a good fixed route transit system. People in metro Detroit deserve that freedom too.

Sincerely, Anna Shih

Subject:	Public hearing

How about a proposal to pay your drivers more money to start? If you are having that much trouble hiring enough drivers to fill the routes, that should tell you that your pay isn't competitive. You are putting too much money into improving and upgrading buses and technology, while so many buses that are scheduled never show up.

I've been riding the 255 for approximately 17 years. Pre-pandemic there were more buses going into downtown Detroit and more buses taking us home. Most of those buses were standing room only. We could actually depend on our bus being there when scheduled. In the rare instance that our bus didn't arrive, there was another bus 20 minutes later. Now, there are only 2 buses in and 2 buses out. Some days I have been the only person on the bus going home. Most times there are only 3 or 4 people on a bus- IF it shows up. The westbound 255 going out of Detroit at the end of the workday has gotten so unpredictable that there seem to be the same number of days that the first bus does and does NOT show up. There have even been several times when the second (last) bus was cut, which is completely unacceptable. Ridership is down because of the number of buses on schedule, and that number of riders keeps going lower because of the number of times that no bus has shown up. When our bus doesn't show up, SMART management should get in a SMART van or car or horse and buggy or bicycle built for two and come and pick up the stranded riders! Telling us some roundabout way to get home by taking 10 other buses or calling an Uber (if we're riding the bus, we can't afford an Uber) isn't providing the service you are supposed to provide. It's obvious that SMART doesn't feel any responsibility to provide a ride home. Imagine someone promising to drive you to and from work, but when you leave work they tell you "oh, I forgot to tell you, I can't drive you home, so you'll have to figure something else out... and sorry that it's snowing or raining on you". Well, that's what is happening to us.

If you can't provide the service, cut the route entirely. SMART is receiving money to run the park and ride service, but it's bordering on fraud for SMART to take that money and not provide the service. I will be making the City of Westland aware of this problem. Also, the Wayne County millage passed again, subsidizing SMART to provide a service that has not been provided. That too, is bordering on fraud. It appears that you have to keep the routes running just to continue to receive the money.

Whenever any of us (on other routes too...) contact SMART to complain or ask what is being done, we get the same old song and dance. SMART tells us they are sorry (empty apologies) and are working to hire more drivers. You are doing something wrong. Face the facts and rethink what you are doing. For at least 14 years of my riding, SMART was a great and reliable service to people who work in Detroit. In 2022 and 2023, SMART has appeared to be a failing company that is being mismanaged and unorganized. No more excuses. We're tired of them. DO SOMETHING.

From:Jeremy Whiting <jwhiting360@gmail.com>Sent:Thursday, May 11, 2023 1:17 PMTo:Public HearingSubject:Route cuts in Oakland County

Hello - I want to submit public comment on the new route changes in Oakland County.

While it is AWESOME that you are proposing a new Rochester Rd. route, even running it on weekends, I think it is shortsighted to cut the 430 Main St. route.

If you insist on going back to peak hours only on the 430, I STRONGLY suggest you consider adding weekend service to that route as well. Imagine connecting the restaurant and bar areas of Clawson, Royal Oak, Ferndale, and the transfer point at State Fair on the weekend!

I understand why you are removing mid day service on the 430 but if you can run a Rochester route all day every day and give it weekends as well, there is no reason you can't cut a couple runs from the mid day on that route and allocate them to weekends on the 430.

Otherwise, I hope we can get some more drivers, pay the drivers more, and get some more frequent service!

Keep up the good work. I'll keep riding the 430 and 740 for my commute!

Jeremy Whiting

Subject:	Part of the change REALLY concerns me.

I was looking at the proposed routes and, one of the changes did upset me personally. I noticed that the route from the Phoenix Center up Baldwin road to Great Lakes Crossing is to be eliminated.

For me that is the route I was really counting on to get to Great Lakes Crossing Outlet Mall. Having a bus route to Twelve Oaks is great and all, however all the things I was looking forward to being able to get to on my own are in Great Lakes Crossing as it has venues I really want to be able to visit more often.

I imagine a lot of people would like to take the bus to that Mall considering what's in it, including a Legoland, an arcade, an aquarium, and a theater, as well as some places in the surrounding area.

Another note I had is it MIGHT be nice if the new White Lake route could go as far as Cedar Brook Estates trailer park in the other direction. I know it might be a bit to ask but having grown up there having a bus stop there would be a huge help to those residents of the county. I know people can walk or bike to the stop by Walmart, but it seems hazardous to do so, especially along M59.

То:	Public Hearing
Subject:	Proposed changes to the SMART bus routes

The City of Farmington Hills has reviewed the notice and proposed changes to the SMART bus routes within Farmington Hills. While we are disappointed with the short notice and limited community engagement, some of the changes are supported. We are generally supportive of expansion of services to Novi and Wixom.

However, there are gaps that need to be re-evaluated. The elimination of the route along Eleven Mile that removes service to the Costick Senior Center and Farmington Hills City Hall Campus leaves vulnerable populations without regular service. There should be additional considerations beyond number of riders. Seniors may not have regular access to transportation and the persons needing to transact business with City Hall, the 47th District Court and Police department may not have resources for other transportation options.

Also, the City of Farmington Hills has recently approved two new multifamily development projects at 14 Mile and Northwestern Hwy. Consideration needs to be made for a Bus Rapid Transit route along Northwestern Hwy to Downtown Detroit. The population of new residents will be a brand new population to increase ridership.

Charmaine Kettler-Schmult

Director of Planning and Community Development O: (248) 871-2543 Email: <u>ckettler@fhgov.com</u>

Subject:	Discontinuation of Rt 400

My question is if this route is discontinued, how would one

get to/from the Farmington hills community library on 12 mile rd?

COMMENTS FROM SOCIAL POSTS CONCERNING PUBLIC HEARING

- If they gonna expand routes to Novi and Wixom they need to have a express route for grand river like the fast grand river to 12 oaks mall VIA Wixom that be cool Including 12 mile should go to 12 oaks and the local grand river should go to 12 oaks and Wixom Marlon Moore
- I know I'm contradicting myself a little bit here compared to my past criticisms, but part of me wishes that the 305 would go back to using Haggerty to Schoolcraft College, and be extended to Laurel Park Place and Madonna University. But this is a good second option. Anson Joey Hill
- But discontinuing service bad. Casey Rakowski
- About time Owen Chenault
- smartmovesus not the 255 consistently 🚇 Mary Palmer
- When will the FLEX service be expanded to cover the entire City of Troy? David Lambert
- You still didn't propose to bring back routes to Detroit during mornings & mid to late afternoon hours on select routes like 125. 🙈 Rene Junior
- smartmovesus, correction--- 790 Pontiac Crosstown, don't rename route Raphael Ralph Tirrell Harlan
- If 430 goes back to peak only, can you at least run it all day on Saturdays? Imagine connecting Clawson Royal Oak and Ferndale on the weekend!!! jwhiting360
- The 740 needs FULL Sunday service Anson Joey Hill
- How about adding the Detroit routes during peak hours on the weekdays for 125 & others. -Rene Junior
- Wow, NOTHING FOR VAN DYKE. get f***d. Mayor Mike Duggan Governor Gretchen Whitmer you are going to NOVI but I can't even get a bus from van dyke + 23 to downtown that is just ONE BUS and doesn't take 4 HOURS!?! F**k a novi and Bloomfield hills. THE Q LINE DOES NOTHING. Abe Froman
- No help for van Dyke 510 route ??? Pathetic. Mayor Mike Duggan Abe Froman
- Thanks? Kind of minimalistic in the announcement. Stephen Boyle

I have gone through the PowerPoint detailing the service changes and made various notes on each route. The notated presentation is attached.

5MART

Oakland County PROPOSED Service Modifications

2023

450 Woodward Local 462 FAST Woodward

- NEW SERVICE -

Through Bloomfield Hills

- 450 runs hourly on weekdays and Saturdays from 5:30 a.m. to 11 p.m., and every other hour on Sundays from 8 a.m. to 10 p.m.
- 462 runs hourly from 5:30 a.m. to 10:30 p.m. on Weekdays and Saturdays, and every other hour from 6:30 a.m. to 8:30 p.m. on Sundays
- 450 Woodward Local will serve stops every quarter mile through Bloomfield Hills; 462 FAST Woodward will serve the new limited stop at Long Lake.
- Connects Bloomfield Hills with premium shopping and business destinations in Auburn Hills, Birmingham, Ferndale, Royal Oak, Midtown and Downtown Detroit 7 days a week

305 Grand River

- Operates 6:30 a.m. to 11 p.m. weekdays & Saturdays, 6 a.m. to 8 p.m. Sundays
- Reliable 60-minute frequency
- Destinations include: Suburban Collection, Novi Town Center, Wixom Meijer, Sam's Club, and Ascension Hospital
- Easy transfer connections at Wixom Meijer, 7 Mile & Telegraph, and Old Redford Meijer

- EXTEND CURRENT ROUTE -

From Farmington Hills to Novi and Wixom

Why's this still listed here when the route won't even be going through this intersection any more? (For the record, I support straightening it out, even though that isn't mentioned in the slide.)

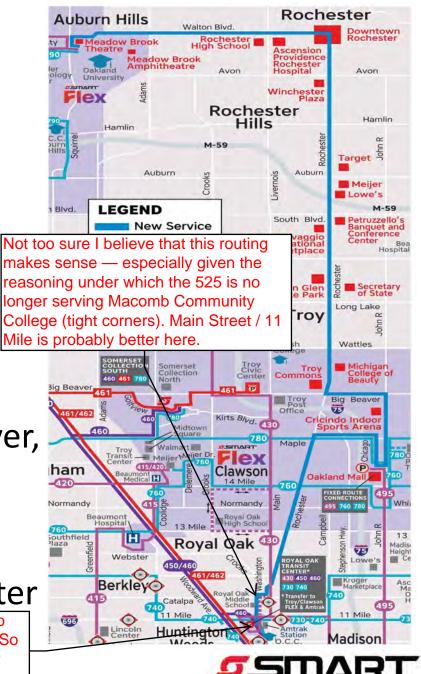

- NEW ROUTE -

Rochester Road from Royal Oak through Rochester/Rochester Hills to Auburn Hills

- 6 a.m. to 10 p.m., on weekdays and Saturdays
- Hourly service on all days served
- From the Royal Oak Transit Center to Oakland University via Washington, Catalpa, Rochester, Maple, Chicago, Oakland Mall, John R, Big Beaver, Rochester, University/Walton, & Squirrel
- New destinations: Sylvan Glen Park, Nino Salvaggio, Hampton Village Centre, Winchester Plaza, Downtown Rochester, Ascension Rochester Hospital, Meadowbrook Hall
 This route needs a connection to Woodward for a FAST transfer. So do early/late 730s and 740s that

currently terminate at ROTC.

740 Twelve Mile

- Hourly service from 5 a.m. to 10 p.m. weekdays & Saturdays; short trips from Royal Oak to Roseville on Sundays
- New destinations: Twelve Oaks Mall, West Oaks Center, Ascension Hospital, West Market, and Wixom Meijer
- Connects Wixom, Novi, Farmington Hills, Southfield, Lathrup Village, Berkley, Huntington Woods, Royal Oak, Madison Heights, Warren, St Clair Shores, and Roseville

The idea of keeping this makes me sad. — EXTEND CURRENT ROUTE — From Farmington Hills through Novi to Wixom

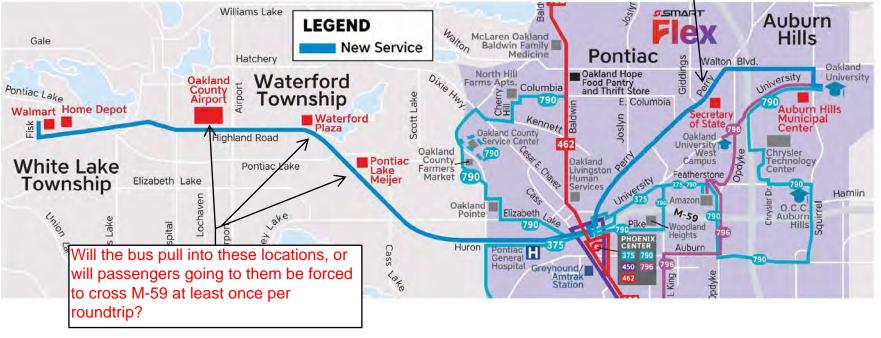

- Operates every 60 minutes on weekdays and Saturdays, 7 a.m. to 9 p.m.
- Provides service to: Oakland University, McLaren Hospital, Pontiac Lake Meijer, Oakland County Airport, White Lake Marketplace
- Creates a strong crosstown corridor with flexible transfers to Detroit at the Phoenix Center, Bloomfield Twp. at Telegraph, and Rochester Hills at O.U.

It's unclear whether you intend this to replace or supplement 796 service. Every time you talk about this route, you're calling it a replacement. Every time you talk about 796, that reduction in service is nowhere to be found.

- NEW ROUTE -

Auburn Hills through Pontiac, Waterford and White Lake Township along Perry and M-59

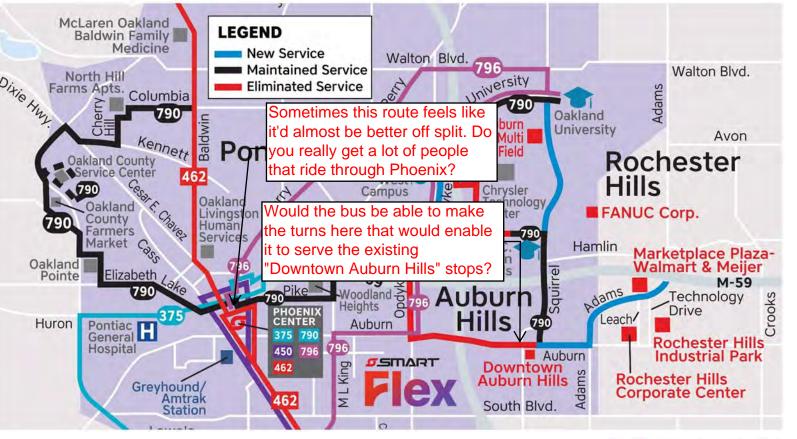

- Operates hourly 7 days a week; weekdays and Saturdays 5:30 a.m. to 9:30 p.m., Sundays 6:30 a.m. to 6:30 p.m.
- Connects neighborhoods of east & west Pontiac, Auburn Hills, & Rochester Hills
- From Amazon to Marketplace Plaza via Opdyke, OU-West, University, OU-Main, Squirrel, Featherstone, OCC, Squirrel, Auburn, & Adams
- Revised service east of Amazon Pontiac provides better & efficient connections.

- MODIFIED ROUTE -To Better Serve Pontiac, Auburn Hills, and connect to

Rochester Hills

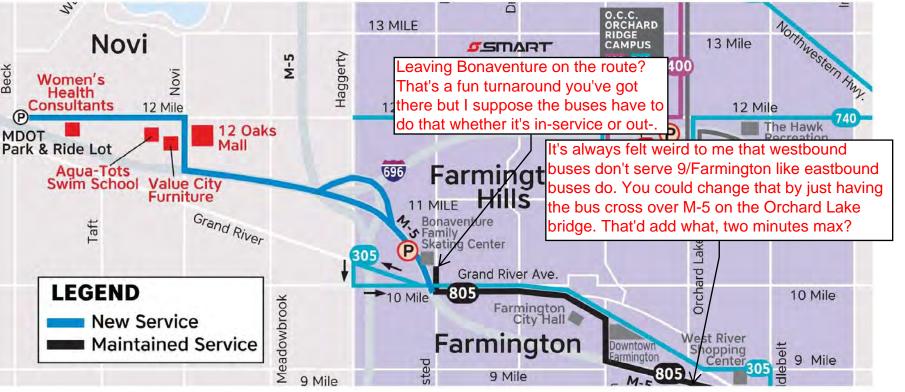

805 Grand River Park & Ride

- Operates three morning and three afternoon trips into and out of Downtown Detroit
- Runs during peak hours on weekdays
- Express service that serves park & ride lots in Novi, Farmington Hills, and Redford, as well as local stops within the suburbs and Downtown Detroit

- EXTEND CURRENT ROUTE -

From Farmington Hills to Novi

851 W. Bloomfield/Farmington Hills Park & Ride

- EXTEND CURRENT ROUTE -From W. Bloomfield to Orchard Lake, Keego Harbor, and Sylvan Lake

- Operates three morning and three afternoon trips into and out of Downtown Detroit
- Runs during peak hours on weekdays
- Connect from Orchard Lake, Keego Harbor, and Sylvan Lake via Orchard Lake Road to West Bloomfield, Farmington Hills, and downtown Detroit
- Will connect to downtown Pontiac once the Woodward Loop reconstruction project is completed

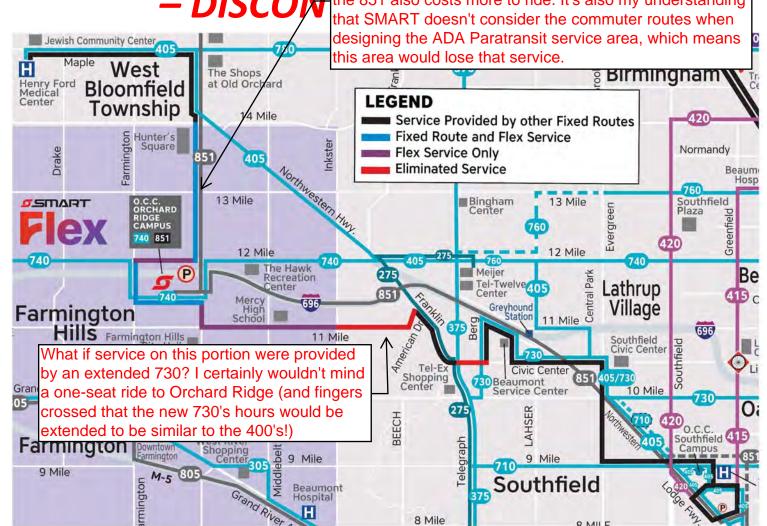

400 Southfield/Orchard Ridge

The route will be discontinued due to:

- Low ridership but high operating cost
- Duplication of other Fixed Route Services (over 90% of service is provided by other routes)

Access these routes as alternatives:

- Northland 405 Northwestern, 415 Greenfield, 420 Southfield, 851 P&R, and multiple DDOT routes
- 9 Mile Rd 710 9 Mile
- Evergreen 405 Northwestern, 730 10 Mile, & DDOT 60 Evergreen
- Civic Center 730 10 Mile
- Franklin 275 South Telegraph
- Farmington Hills Farmington Flex
- OCC Orchard Ridge 740 12 Mile and 851 P&R
- Orchard Lake 405 and 851 P&R
- Maple 405 Northwestern

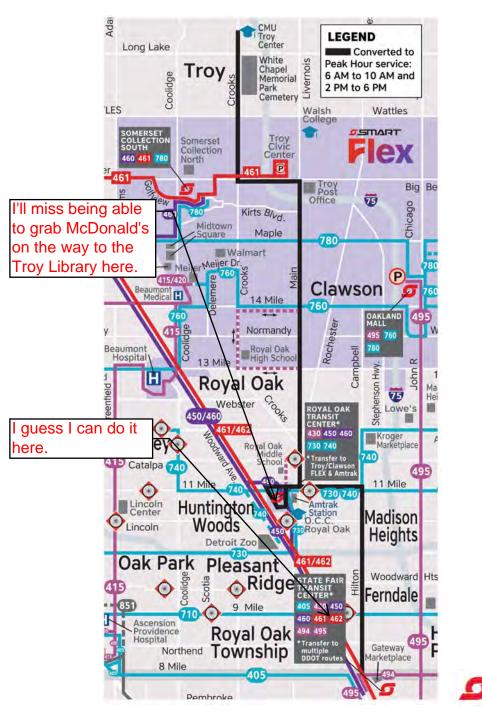

This portion should not be considered "served by another fixed route". One direction per peak hour is basically compared to nothing compared to both ways all day, and the 851 also costs more to ride. It's also my understanding that SMART doesn't consider the commuter routes when designing the ADA Paratransit service area, which means this area would lose that service.

Convert to Peak Hour Trips Only

- New hours: 60 minute frequency, weekdays 6 a.m. to 10 a.m., and 2 p.m. to 6 p.m.
- Service maintained during periods with strongest ridership
- Trips to Royal Oak Middle and High Schools will continue
- Service throughout Troy, Clawson, and to the Royal Oak Transit Center will be available seven days a week using SMART Flex Troy, and Monday-Saturday on Route 492 Rochester

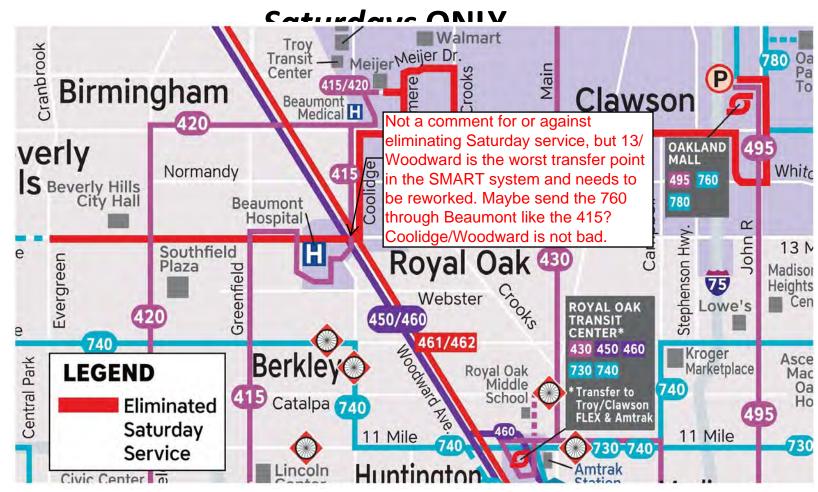

760 Thirteen Mile/Fourteen Mile

Weekday service will remain uninterrupted

- Discontinued on Saturdays, due to ongoing low ridership
- SMART Flex provides rides throughout Troy and Clawson, and covers the route from William Beaumont to Oakland Mall and beyond
- Fixed route alternatives include:
 - 415 Greenfield (to William Beaumont, Coolidge, and Royal Oak Meijer)
 - 420 Southfield (to Beverly Hills)
 - 780 15 Mile (to Oakland Mall)

- DISCONTINUED ROUTE -

796 Perry/Opdyke/

- DISCONTINUED ROUTE Saturday ONLY

- Discontinued on Saturdays due to ongoing low ridership
- Service between OU-Main/and OU it could eventually replace Paratransit and Connector, for example. But fixed-will be provided along University by the will be provided along University by the reconfigured 790 Pontiac/Crosstown
- Service on Perry and Walton will be available on the 759 Highland
- Opdyke, Auburn, MLK/Square Lake, and Centerpoint Parkway will be accessible from anywhere in Pontiac or Auburn Hills via the SMART Flex Pontiac

Flex will never be able to fully replace scheduled service, and SMART absolutely must not get in the habit of replacing fixed routes with it. Even if both services are operating at full, 100% reliability, fixed route is more userfriendly with a fare that will always be \$2.00 or covered under a transfer or pass. Fixed route vehicles are the only ones that can transport bicycles or always be able to carry wheelchairs. You don't need to have your own electronics and cell service to get a fixed-route bus — it will show up even if nobody (not even yourself) knows you're coming for it. You can plan your trip sler days or weeks in advance because you know what time the fixed-route bus will show up. You can pay for fixed-route rides in cash and *get* transfers. How do you transfer from a flex to a fixed route? Get going if you haven't activated a pass yet?

Hills Eventually Flex will be able to replace some of SMART's small-bus services. If improved to meet the appropriate requirements (including greater oversight, maybe even in-house operations, and better scheduling), I believe

Thank you for riding SMART!

- SMART continues to evolve with the needs of Metro Detroit
- These service changes are the "phase one" of new, improving service in Oakland County
- As transit is introduced and expanded in the coming months and years, SMART will collaborate with the people and leadership of Oakland to meet everyone's mobility needs
- SMART is on its way to the top as a mobility provider, and we look forward to bringing our passengers along for the ride!
- Stay tuned for future opportunities, and remember:

SMART MOVES US!

SMART Public Hearing Meeting Question & Answer Report 11-May-23 Webinar ID 818 1984 9896

Actual Start Time: 5/11/23 05:03:00 PM, Actual Duration (minutes) 65

#	Question	Asker Name	Asker Email	Answer(s)
1	Is there a way to extend the 492 so it can allow easy transfers to FAST? Weekday 796 and 759 both serve stops on Perry? Adding stops on Opdyke and Squirrel. New stops should have shelters since they are hourly routes.	Thomas Yazbeck	Thomas@detroittransit.org	Live answered
2	Not happy with way 492 is set up. Why doesn't proposed route go to Woodward. Should be 2 busses not 3. Should go straight down rochester Rd; there are several busses that already go to Oakland Mall. Should extend Pontiax Flex zone into Rochester. One of the Pontiac Crosstowns should be extended to go where the Palace was for new factory.	Steven Hawring		will email SMART
3	Ferndale Resident. I don't think its right to cut 430 bus to peak hours. I pay the millage taxes and I need service on Hilton. Should connect with the 492.	Joseph Valdez		Live answered
4	Rep Leader dogs for the blind. The proposed service adjustments will allow residents access to area and bus training for clients	Kristy Plesscher		Live answered
5	Small bus service throughout Oakland. Will connector services be expanded in Oakland? Disappointed how much service shifting to Flex. It is not reliable.	Steven Hammontree		Live answered
6	22 day wait for a ride to a grocery store in Holly. Lady could not get small bus to Fenton for dialysis. No public transportation available in Holly.	Theresa Rogerson		Eli Cooper/Oakland County live answered
7	Live in Dearborn Hts. Right now takes 1.5 hrs or more. What is being done to facilitate service between Wayne and Oakland Counties.	Matt ??		Live answered
8	When will these changes take effect? Very concerning communities are facing service cuts. Only hourly service will not have high ridership. Cutting routes sends wrong message to the public.	Joel Batterman/TRU	joel@detroittransit.org	Live answered
9	Wheelchair user. In SMARTs system there are major accessibility issues. Stops are not accessible to disabled people; about 50%. What plans does SMART have to prioritize accessibility so disabled riders can use route extensions.	Ivy Rose		Live answered

10	Would like 492 to be more than hourly service. Would like to see timetable adjustments for Great Lakes Crossing so routes are aligned. Which SMART routes will be pulling into new state fair transit center?	Corey Rowe	Get in touch with you to contact Flint MTA
11	Extend 805 out to Suburban Showplace.	Spencer Betts	Live answered
	Depends on Farmington Hills routes. Concerns about 400 route cut bc areas not served by other routes. Concern about pedestrian infrastructure. More investment in infrastruture is needed.	Lukas Lasecki	Live answered/ would like to get in touch with Danny Whitehouse

	US/LS Page 6	/ 2	V25 Pages 09 Page 8
1	MS. LLOYD: So now we'll move on to the		and Meijer.
2	presentation and then I will open it up for comments	2	Next we have the 492 Rochester. This is a
3	after I run through the whole proposed changes so we'll	3	brand new community route that would connect Oakland
4	hold the comments to the end.	4	University, Auburn Hills, Downtown Rochester, Rochester
5	All right. First this evening we have changes	5	Hills, Troy and Royal Oak. Proposed service would run
6	proposed to the 450 Woodward Local Pontiac and the 462	6	hourly on weekdays and Saturdays from 6:00 a.m. to 10:00
7	FAST Woodward. 450 Woodward Local is a steady main	7	p.m. Passengers will have access to a range of
8	corridor route that serves the heart of Oakland County	8	transfers between routes on the 790, 759 and Pontiac
9	operating on Woodward Avenue and Old Woodward between	9	Flex at Oakland University, the 495, 760, 780 and Troy
10	the old State Fair Grounds and downtown Pontiac.	10	Flex at Oakland Mall and the 430, 460, 730 and 740 at
11	462 FAST Woodward is a high ridership limited	11	the Royal Oak Transit Center.
12	stop service with stops roughly every mile connecting	12	Newly served destinations include Sylvan Glen
13	Great Lakes Crossing to Downtown Detroit. Both services	13	Park, Nino Salvaggio, Hampton Village Centre, Winchester
14	run 7 days a week. The 450 runs hourly on weekdays and	14	Plaza, Downtown Rochester, Ascension Rochester Hospital
15	Saturdays from 5:30 to 11:00 p.m., and every other hour	15	and Meadowbrook Hall.
16	on Sundays from 8:00 to 10:00 p.m.	16	The next route is the 740 Twelve Mile
17	The 462 runs every 45 minutes from 5:30 a.m.	17	crosstown route. This is a long strong ridership
18	to 10:30 p.m. on weekdays, hourly from 5:30 a.m. to	18	crosstown service that connects significant portions of
19	10:30 p.m. on Saturdays and every other hour from	19	South Central Oakland and Macomb Counties via Eleven and
20	6:30 a.m. to 8:30 p.m. on Sundays.	20	Twelve Mile Roads. It serves Farmington Hills,
21	Proposed changes will add stops on Woodward	21	Southfield, Berkley, Huntington Woods, Royal Oak,
22	through Bloomfield Hills with a strong focus on the	22	Madison Heights, Warren, St. Clair Shores and Roseville.
23	Woodward and Long Lake intersection.	23	The proposed expansion would operate hourly
24	These routes will connect Bloomfield Hills	24	into Novi and Wixom Monday through Saturday via Twelve
25	passengers to shopping and business destinations in	25	Mile, Beck and Grand River ending at the Meijer just

19	So we will open it up now to public comment.	19	from Rochester, Michigan.
20	Again, please keep your comments to 3 minutes so	20	I just wanted to make a comment about the
21	everybody has a chance to say them. If you'd like to	21	riding of the new Rochester Road bus route. I just want
22	make a comment please raise your hand and Andy will	22	I'd like to see this route envision like as fast as
23	bring the microphone over.	23	possible kind of bus route, you know, where the route is
24	MR. WILLIAMS: Thank you, Andy.	24	as straight as possible and unnecessary stops are
25	Good evening, everybody. Kermit Williams,	25	avoided as much as possible.
1	Page 15 Co-Director of Oakland Forward. We worked on the	1	I think I think the transit is most
2	transit millage for SMART. So I thank you all for doing	2	effective and most useful to most people when it is as
3	this. I hear a lot of great things for the improvement	3	fast as possible. So I'd like to when I say that,
4	of the routes.	4	I'd like to contrast it with the Perry/Opdyke route
5	I'm also in a former life City Council	5	which is also trouble to keep you know, to capture
6	President in Pontiac and, so, what I would implore this	6	ridership for as long as I can remember. I've ridden
7	particular group to do is to hold some public hearings	7	that route a lot. I think it struggles because it tries
8	in the most effective places. You talked about	8	to zigzag all over the place and nobody is going to ride
9	disconnecting of the 796 bus but you didn't mention the	9	a bus that zigzags all over the place. People want to
	three low income high rises that use that bus route in	10	
11	order to get services.	11	effective if we straighten the route out all from
12	And, so, what I would urge this group to do	12	Rochester to Royal Oak and don't bother to try to hit
13	and the people that are listening from SMART is to make	13	Oakland Mall if that makes sense.
14	sure that we move toward expansion. We passed a large	14	That's about it.
15	millage in Oakland County history based on expanding	15	MS. LLOYD: Thank you.
16	services, and some of these disconnections seems like	16	MS. BROWN: Thank you. Elise Brown. I live
17	you're leaving people out. And, so, don't jump to phase	17	in northeast Ferndale, affectionately known as forgotten
18	2 before you've done a true evaluation and true survey	18	Ferndale and I hope we're not forgetting in this
19	with phase 1 with people who also currently ride the	19	initiative and I believe that my comment piggybacks off
20	system because there are problems with Flex, and, so,	20	
21	that's not always the solution for ending a line.	21	MALE SPEAKER: 492.
22			

So thank you so much. I do appreciate that

- you all were thoughtful in putting this together but I
- think that you need to listen to the people, and then
- you also need to have the public hearings in places
- Road in Ferndale to Oakland University. I think one idea was to delete the detour

MS. BROWN: Yeah. So I was really hoping that

we would have a much more efficient route from Hilton

1	towards Oakland Mall and extend the southern route down	1	I also think that the public engagement
2	to the State Fairgrounds.	2	process was great to see. I want to echo some of
3	And that's about it.	3	Kermit's comments because, you know, I don't think three
4	MS. LLOYD: Thank you.	4	public meetings at Oakland, Farmington Hills and Berkley
5	MR. THORNER: Anybody else?	5	are really enough. I think you guys need to be
6	MS. LLOYD: Any other public	6	holding I think you not only have to be holding
7	MR. MICHAEL (SPEAKER): My name is Michael	7	meetings in some of the communities where there's high
8	(Speaker). I'm a resident of Rochester.	8	ridership like Pontiac but you also need to be holding
9	What I want to talk about is thinking about	9	more meeting in the heart of the communities that are
	•		getting service for the first time.
10	fixed routes, and expanding fixed routes is great but	10	
11	with a lack of pedestrian access to those fixed routes	11	There are a lot of people in Novi, there are a
12	because they're going to continue to have low ridership	12	lot of people in Rochester. 50 percent of those people
13	because a lot of people just look at what it takes my	13	voted for the millage but almost half the community
14	body to get physically to a bus stop is too much.	14	didn't vote for it. So there's lots of people who are
15	Thinking about we have 10 years of this	15	very skeptical about public transit and they're going to
16	millage and what are we going to do to truly transform	16	see SMART employees installing bus stops and they're
17	our streets into not looking just for cars but looking	17	going to say I didn't hear anything about this and
18	for pedestrians, for bikers as well. And my	18	they're going to get mad.
19	understanding is that SMART doesn't have a lot of	19	But if you go into those communities and you
20	control in this area, very beholding to local county	20	have a conversation with the people and explain to them
21	and you know, officials like that, what is SMART	21	and take their input and stuff, they will even if
22	doing to move forward on that, what are they trying to	22	they're still against the public transit, they'll feel
23	do to work towards with the state government on creating	23	like they were involved in the process, and that really
24	a different system.	24	builds trust. And, so, there's a very strong risk of
25	I'm sure that these are things on your mind	25	losing trust.

Firstly, as an organization we want to thank SMART for these proposed service adjustments and allowing us the opportunity this evening to voice our firm support of these initiatives. At Leader Dog for the Blind our mission is to empower people with the skills to travel safely and independently. We do this by providing highly trained guide dogs and also cane skills to enable that independence. But while our training supports these individuals in their daily independent travel they must
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	but I really want to stress it as, you know, I can talk to all these sorts of people about how I want to ride the bus and I love to ride the bus, but then I talk what it takes to ride the bus and it's struck down immediately. So it's a small thing that I think needs to become the focus in terms of how we look at what our transit system is. It's not just for cars and buses over here. It's for cars, buses, bikes, pedestrians all the same time. Thank you. MS. LLOYD: Thank you so much. MR. YAZBECK: Thank you. My name is Tom Yazbeck. I live in Rochester Hills. I like all the changes, or I like all the expansions that are being proposed, and I'm really concerned about these cutbacks to certain routes. I understand that low ridership is low ridership right? but I think if you take them away and you don't bring them back how do you know that if they were better they wouldn't have more ridership. A lot of times if you build they will come. Right? So I really want to I really hope that some of these changes are these cutbacks are temporary,	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	So I really want to encourage SMART to think about the public engagement process and take it seriously because, you know, people are expecting that their tax dollars will be spent in a fashion that makes sense to them. So that's my comment. MS. LLOYD: Thank you. MS. WEISSE: Good evening, everyone. My name is Melissa Weisse. I'm the Vice-President and Chief Philanthropy Officer at Leader Dogs for the Blind. I'm also a resident of Rochester and I'm here to speak on behalf of Leader Dog. Firstly, as an organization we want to thank SMART for these proposed service adjustments and allowing us the opportunity this evening to voice our firm support of these initiatives. At Leader Dog for the Blind our mission is to empower people with the skills to travel safely and independently. We do this by providing highly trained guide dogs and also cane skills to enable that independence. But while our training supports these individuals in their daily independent travel they must have access to safe, reliable public transport to live
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	but I really want to stress it as, you know, I can talk to all these sorts of people about how I want to ride the bus and I love to ride the bus, but then I talk what it takes to ride the bus and it's struck down immediately. HANSON RENAISSANCE COURT REPORTERS & VIDEO

Hearing 05/15/2023 Page 22

	Page 22		Page 24
1	Leader Dogs for the Blind is in full and complete	1	appreciation for the proposed service adjustments.
2	support of these service adjustments and we will	2	I do agree with the people who have voiced
3	continue to advocate for public transportation	3	concerns about community outreach insofar as reaching
4	expansion. Many, many of our clients are reliant on	4	low income areas and also considering what it does take
5	public transportation such as the buses we're discussing	5	to access the bus services, especially on a main road
6	this evening for access to community events, family	6	the way that the route is currently outlined.
7	life, school, doctors' appointments. While we	7	You know, there's people like me at present
8	specifically work with individuals who are blind or	8	because I don't have access to the bus I can walk a
9	visually impaired the same holds true for individuals	9	quarter mile, a half mile, a mile, a mile and a half, no
10	with other disabilities so we're here to advocate for	10	issue. Everybody can't do that. A lot of people who
11	them as well this evening.	11	are disabled, especially blind people like Leader Dog
12	And I have to tell you you may not be aware	12	serves, they have multiple disabilities and sometimes
13	ride share alternatives, Uber and Lyft are not at all	13	there's other physical impairments and not to mention in
14	substitutes for public transport, and I can't underscore	14	Rochester we have the OPC, the Old Persons Commission
15	this firmly enough. Many of our clients are frequently,	15	
16	frequently denied access, Uber and Lyft will drive right	16	
17	by them when they see a service dog. This is	17	can just transport them, but they also their needs
18	unacceptable, it's contrary to the ADA, the Americans	18	
19	with Disabilities Act, and something we are combatting	19	-
20	nationwide as we seek to provide a better, more	20	*
21	inclusive society for everyone.	21	Any other comment?
22	In addition, these services are extremely	22	•
23	costly. The proposed service adjustments that you're	23	C 3
24	speaking about this evening would allow individuals with	24	
25	disabilities to access community life in Rochester	25

With expanded access to public transport we can take unstoppable to the next level and make our community more inclusive, and beyond that it is absolutely a most meaningfully and right thing to do. So thank you on behalf of Leader Dog for this and we do have some someone else who would like to speak this evening. 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20	 important we connect to Ferndale but also connecting to DDOT routes, making those connections so people can move into Wayne County and make that transition easily. So that's a really important piece. The other piece two other thoughts is there's a lot of times where some of the changes are relying on the Flex service and I know that I've heard about particularly in this area around OU and in Pontiac that there's pretty significant delays when there's high demand. And, so, I would hope that as we thought about these that we don't rely on it too much in those phases because I heard about people waiting 45 minutes for that which maybe it's a fixed route once an hour but still not knowing when it's going to come. And on the maps they sometimes it says this is going to be a fixed route and/or Flex, but those are very different. And then the last thing is the Phoenix Transit Center and other bus stops like what is going to be done to improve some of those stops to make people feel safe and welcome to those spaces.
$\begin{array}{c} 2\\ 3\\ 4\\ 5\\ 6\\ 7\\ 8\\ 9\\ 10\\ 11\\ 12\\ 13\\ 14\\ 15\\ 16\\ 17\\ 18\\ 19\\ 20\\ 21\\ \end{array}$	 including Leader Dogs for the Blind for both employment and training opportunities. There is significant benefits for Leader Dog as well with the addition of a route that passes by our campus we would be able to train our clients with bus routes. Currently we have to travel over 30 minutes to gain access to a bus route to have that inclusivity in our training. Having a bus route that passes by our campus would enable us to train Leader Dogs more effectively. At Leader Dog our goal is to partner with individuals who are both deaf and blind and blind and visually impaired to be unstoppable. With expanded access to public transport we can take unstoppable to the next level and make our community more inclusive, and beyond that it is absolutely a most meaningfully and right thing to do. So thank you on behalf of Leader Dog for this and we do have some someone else who would like to speak this evening. 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21	 important we connect to Ferndale but also connecting to DDOT routes, making those connections so people can move into Wayne County and make that transition easily. Hearing 05/15/2023 Page 26

	Page 26	<u>'</u> –	Page 28
1	I'm really excited to see these changes that	1	Farmington Hills.
2	are coming in, but like other people I also want to	2	I want to express again my excitement for
3	voice my opposition to replacing fixed routes with Flex.	3	these new expansions, particularly the 740 and 305.
4	I want schedules I can plan around and fares I know in	4	Probably had been saying that many times before, so I'm
5	advance, and Flex is not either of those.	5	glad it's happening following the millage. That's going
6	Some very often it will just say sorry, we	6	to be really nice to have.
7	couldn't find a ride, and I'll be asked to take the	7	But I also want to echo some of the concerns
8	fixed route for 40 minutes anyway for where I want to	8	previously made about overreliance on Flex and using
9	go.	9	Flex in lieu of fixed routes because of the
10	And I even tried it earlier today because I	10	aforementioned reliability concerns. I'm going to be in
11	made this comment in the virtual public hearing and was	11	some conversations with some SMART staff to discuss what
12	asked to give it another try. So I tried it today,	12	those are and find some resolutions, but at the moment
13	picked up some pizza on the way here, decided to see if	13	it's not really a suitable replacement for fixed routes.
14	I could Flex. No, it just did not let me.	14	MS. LLOYD: Thank you. Anyone else?
15	So I'm just not really a fan of Flex and I	15	Okay. I just wanted to say one thing. As I
16	don't want to see it being used to replace scheduled	16	said because this is a public hearing with public
17	service.	17	comment it's a little bit different than we did the
18	MS. LLOYD: Thank you.	18	virtual session which was more of an engagement session.
19	MR. LAWRENCE: My name is Thomas Lawrence and	19	However, I wanted to point out, because I feel the same
20	I'm from Pontiac as well.	20	way that you do, to meet the requirements that the
21	I want to piggyback on what he was saying. A	21	Federal Transit Administration puts out regarding public
22	lot of folks in Pontiac do complain about the Flex	22	hearings you have to have the meetings where there is
23	services, they're not on schedule, also getting late to	23	transit, where it's transit accessible.
24	work or not making it to work at all, it's causing	24	So we had to pick places to have these public
25	problems for people getting around the areas of the city	25	
1	as well as anywhere else they want to go.	1	Page 29 We are very aware that of the irony of that and we
2	So in regards to the route east and west of	2	will we promise you that we will be engaging with all
3	Pontiac, so we're looking at no connection north and	3	of the communities that service will be coming to and
4	south in Pontiac. Does it just go straight through on	4	will be potentially coming to with the other providers
5	that Baldwin route that I see? It's going down Baldwin,	5	that exist in Oakland County. This summer you will see
6	Livingston Human Services area and all of that but not	6	SMART everywhere, hopefully the buses and the people
7	any other area of Pontiac, is that how it's being set	7	that make the decisions.
8	up?	8	So we really thank you. We appreciate the
9	MS. LLOYD: If I can have you when we're	9	support you're giving us and we hope that we can work
10	done with public comment I'll connect you with the	10	
11	scheduler and he can go through the details of it with	11	outstanding transit system.
12		12	
13	MR. LAWRENCE: Okay. Thank you.	13	•
14	• •	14	
15	How will this new system mesh with the system	15	
16		16	
16 17	that OPC already has in Rochester and Rochester Hills?	16 17	
	that OPC already has in Rochester and Rochester Hills? MS. LLOYD: So because this is public comment,

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	VP Finance
FROM:	Capital and Grant Programs	APPROVED BY:	General Manager
CUDIFOT			

SUBJECT: Authorization to File and Execute the Applications, Contracts, and Amendments for the SMART FY 2024 Annual Application for Michigan Capital and Operating Financial Assistance

SUMMARY

Board authorization is requested to file the grant applications, and execute contracts and amendments for the FY 2024 Annual Application for state transportation capital and operating assistance to the Michigan Department of Transportation (MDOT). The Annual Application is the Suburban Mobility Authority for Regional Transportation's (SMART) application to MDOT for the estimated state capital and operating financial assistance required to operate public transportation during fiscal years 2024-2028.

DISCUSSION

Pursuant to Section 10e of Act 51 of the Public Acts of 1951, as amended, eligible transportation authorities are required to file an Annual Application describing the service, programs, and projects to be carried out in the ensuing fiscal year, together with specific requests for estimated capital and operating financial assistance. This application will be used by MDOT in the development of specific funding requests to the Michigan legislature for FY 2024 public transportation program appropriations for the SMART service area. Public notice was published in the Detroit News and Detroit Free Press on April 24, 2023, and Michigan Chronicle on April 26, 2023. The time frame to submit comments and/or a request for a public hearing closed Wednesday, May 24, 2023; no comments or requests were received and therefore the estimated budgets are final.

For SMART Sections 5307 and 5339 Federal Formula funds, the funding levels in this application are based on funding targets set by SEMCOG and the RTA's approved split for FY 2024: SMART will receive 50% (5307) and (5339) of the Detroit UZA apportionment. For SMART Section 5310 funds, which will be applied for through the RTA once FY 2024 apportionment levels are published by the FTA, we requested the amount needed for various qualifying capital and operating assistance projects.

For all other funds, the application for FY 2024 is based on the following assumptions. First, the LETC 5307 Governor's Apportionment, the LETC 5339 Governor's Apportionment, and LETC share of Toledo's 5307 and 5339 Formula funds are based on funding targets set by SEMCOG. Second, SMART and LETC FY2023 Congestion Mitigation Air Quality (CMAQ) have been awarded by SEMCOG. Third, Section 5311, Specialized Services operating assistance and Act 51 operating assistance funds are requested based on the past MDOT funding distribution levels and on the proposed State reimbursement rates.

Per MDOT instructions, capital line items reflect a 20% State match. At the time of appropriation/allocation, MDOT will determine what funding source is available for the match. SMART, communities, and agencies are responsible for up to the full 20% match when MDOT does not participate.

Program funding is subject to change upon receipt of federal appropriations or budget and/or scope amendments or revisions. The budget for the local transportation program is balanced.

Changes in eligibility documentation have not occurred during the past state fiscal year.

RECOMMENDATION

That the Board of Directors adopts the attached resolution authorizing the Board Chairperson to file the grant application and execute the contract and amendments for the FY 2024 Annual Application with MDOT. The Board Chairperson is the official representative of the applicant for all public transportation matters and is authorized to provide such information as deemed necessary by the commission or department for its administration of Act 51.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorizing the Submittal of the Authority's FY 2024 Annual Application, the Execution of Grant Contracts and Amendments for Financial Assistance under Act No. 51 of the Public Acts of 1951

Whereas,	Pursuant to Michigan Department of Transportation (MDOT) guidelines, it is necessary for the Authority to make known, by formal resolution, its intent to apply for State financial assistance under provisions of Section 10e of Act No. 51 of the Public Acts of 1951, as amended; and
Whereas,	Act No. 51 of the Public Acts of 1951, as amended, requires that the Authority prepare and submit an Annual Application each year; and
Whereas,	The Annual Application for FY 2024 includes the request for the State capital and operating financial assistance for FY 2024; and
Whereas,	The budget for the local transportation program is balanced, and estimated revenues are \$171,068,600 (Route Revenue \$5,555,000, Federal \$14,900,000, State \$49,163,500, Local \$94,735,000, Other \$6,715,100) and support the proposed expenditures of \$171,068,600; and
Whereas	In its Master Agreement with Public Transportation Providers of July 9, 2013, the Regional Transit Authority (RTA) provided approval for SMART to work directly with MDOT to finalize and submit an FY 2024 funding application; and
Whereas,	Performance indicators have been reviewed and approved by the governing body, and
Whereas,	Changes in eligibility documentation have not occurred during the past state fiscal year; now, therefore, be it
Resolved,	SMART does hereby make its intentions known to provide transportation services and to apply for state financial assistance with this annual application, in accordance with Act 51. SMART does hereby establish the intent to file an application, execute contracts and amendments allowing for execution of Sections 5307 and 5339 Formula Capital including the Governor's Apportionments for Monroe, Congestion Mitigation and Air Quality (CMAQ), Section 5310, Section 5311, and Specialized Services for financial assistance under the provisions of Section 10e of Act No. 51 of the Public Acts of 1951, as amended; and be it further
Resolved,	That the Board of Directors of SMART authorizes the VP of Finance, Ryan Byrne, to provide such information as deemed necessary by MDOT to make an official determination of the eligibility for funds under the provision of Section 10e of Act no. 51 of the Public Acts of 1951, as amended; and be it further
Resolved	The Board of Directors of SMART authorizes SMART to submit the Annual Application for FY 2024 to MDOT in compliance with the requirements of Section 10e of Act No. 51 of the Public Acts of 1951, as amended, and provide such information as deemed necessary by the commission or MDOT for its administration.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

Footnotes

(A) Per 2024 Annual Application Capital Grants Worksheet. The Detroit UZA Formula splits, where applicable, are based on RTA split from FY 2019. Based on MDOT Application Instructions, we have budgeted (c) For 2024 Funding based on Smooth Capital and 0% for 5310 New Freedom and 5307 Governor's Apportionment Operating assistance (local match). Each local match dollar amount has been labeled with a # and has been backed out of the total amount budgeted.
 (d) FY 2024 Funding based on Smooth Each local match dollar amount budgeted.
 (c) CMAQ & CR Funds approved by SEMCOG.

(D) SMART's protion of \$310 funds are determined by the RTA after Detroit UZA apportionment is made available by FTA. Dollar amounts included in budget are estimates based on FY22 5310 allocation to SMART. An application for funds will be submitted to the FTA after a Call for Projects and Program of Projects is developed and NOTA Nonurban New Freedom Operating funds are administered by MDOT and

An application for thirds will be submitted to the FTA alter a Can for Flogets and Flogets is developed and NOTA Notational Average been requested in SMART's FY24 Annual Application. We have budgeted for MDOT match of 50% for operating.
 (F) Act 51 Operating is based on SMART's adopted FY 2024 budget, found under "5) Revenue Assumptions."
 (G) Section 5311 and Other State Subsidized Services based on SMART's adopted FY 2024 budget FY 2024 budget, found under "3) Restricted."

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	VP of Finance
FROM:	Finance Department	APPROVED BY:	Deputy GM
SUBJECT:	Amendment to the FY2022/23 Ger	neral Operating Budget – Inci	eased Marketing
Expenditures			

SUMMARY

A budget amendment for the fiscal year 2022/2023 is proposed for additional funds for the SMART marketing and external communications budget due to additional advertising expenditures. SMART has unspent budgeted funds related to Driver Wages/Fringes, as a result of unfilled positions this fiscal year. This unspent budget will be utilized to fund the additional expenditures.

The proposed line item budget amendment for the marketing and external communications is as follows:

Account	Approved 2022/23 Budget	Proposed 2022/23 Amended Budget	Amendment or Change	
Expenditures:				
Marketing and Advertising	\$1,067,400	\$1,467,400	\$400,000	
Fixed Route Operator Wages	\$22,592,400	\$22,192,400	(\$400,000)	

FINANCIAL CERTIFICATION

The VP of Finance and CFO certify there is sufficient appropriation available to fund the payment of marketing and external communication expenditures for FY 2022/23.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION RESOLUTION

Amendment to the FY 2022/23 General Operating Budget

Whereas,	The Suburban Mobility Authority for Regional Transportation (SMART) pursuant to PA 204 of 1967, as amended, has been empowered to acquire, plan, contract, operate and maintain a transportation system, and facilities within its jurisdiction; and
Whereas,	Pursuant to PA 2 of 1968, as amended, is required to amend its operating budget when changes to the said budget are required and known; and
Whereas,	PA 2 of 1968 as amended also requires the SMART to maintain a balanced budget; and
Whereas,	SMART amends the FY2022/23 Operating Budget by increasing various operational line items as noted; now, therefore be it
Resolved,	That the Board of Directors of the Suburban Mobility Authority for Regional Transportation hereby approves the budget amendment outlined in the VP of Finance communication to the Board dated May 25, 2023, and hereby increases the line items as noted.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

Date

Board Secretary

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	General Manager
FROM:	Procurement Department	APPROVED BY:	Certification Committee
SUBJECT:	Authorization to Approve Purchase Funding for General Advertising Se	e	A) #1 for Additional

RECOMMENDATION

That the Board adopt the attached resolution authorizing a Purchase Order Change Action (POCA) to provide increased funding for General Advertising Services to the Berline Group, Inc. ("Berline") located at 423 N. Main St. Suite 300, Royal Oak, MI 48067 at a cost of \$1,540,000.00.

DISCUSSION

On October 28, 2021, SMART's Board approved a contract with Berline for General Advertising Services for a 3 year contract at \$1.5 million dollars with two 1 year options. The 2022-2023 budget year was dedicated to several important initiatives: 1) Rebranding the organization; 2) Enhancing the brand perception in Oakland, Macomb, and Wayne counties; 3) Implementing an effective public education campaign to increase awareness of SMART services; and 4) Supporting SMART as the regional leader in transit. The increased advertising and public education efforts in 2022 resulted in advancing dollars at a rate that would exhaust the funds in the contract prior to its expiration. SMART plans to continue to build upon the momentum in increasing its brand awareness. To continue the marketing, advertising, and brand awareness campaign, as well as the promotion of public engagement during the service evaluations and future service changes, additional monies are needed to cover General Advertising Services for the remainder of the 3-year contract base period that expires in October 2024. This POCA #1 in the amount not to exceed \$1,540,000.00 is needed to cover the cost for additional advertising services for FY 2023 (April 2023 - June 2023) (\$400,000.00), FY 2024 (\$1,000,000.00), and FY 2025 (July 2024 - Oct 2024)(\$140,000.00). Pricing has been determined fair & reasonable.

FUNDING & COSTS:

The additional funds for this project are funded via: SMART's Operating Fund.

The summary of the original purchase and POCAs is as follows:

	Cost
Base Contract	\$1,500,000.00
POCA #1	\$1,540,000.00
Total	\$3,040,000.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Approve Purchase Order Change Action (POCA) #1 for additional funding for
General Advertising Services

Whereas,	The Suburban Mobility Authority for Regional Transportation (SMART) is requesting a Purchase Order Change Action for increased funding to cover the cost of additional advertising services for the External Affairs Department; and
Whereas,	On October 28, 2021, SMART's Board approved a contract with the Berline Group, Inc. ("Berline") for General Advertising Services for a 3-year contract at \$1.5 million dollars with two 1-year options. The 2022-2023 budget year was dedicated to several important initiatives: 1) Rebranding the organization; 2) Enhancing the brand perception in Oakland, Macomb, and Wayne counties; 3) Implementing an effective public education campaign to increase awareness of SMART services; and 4) supporting SMART as the regional leader in transit; and
Whereas,	The increased advertising and public education efforts in 2022 resulted in advancing dollars at a rate that would exhaust the funds in the contract prior to its expiration; and
Whereas,	SMART plans to continue to build upon the momentum in increasing its brand awareness; to continue the marketing, advertising, and brand awareness campaign, as well as the promotion of public engagement during the service evaluation and future service changes, additional monies are needed to cover General Advertising Services for the remainder of the 3-year contract base period that expires in October 2024; and
Whereas,	POCA #1 will be funded via SMART's Operating Funds; and
Whereas,	The Vice President of Finance has reviewed Berline's financial documents and is satisfied that Berline has the ability to perform under the contract; and
Whereas,	The EEO Department is satisfied that Berline is in compliance with the equal opportunity/affirmative action policies of the Federal and State government and the affirmative action policies of SMART; now, therefore be it
Resolved,	That the General Manager of Suburban Mobility Authority for Regional Transportation is hereby authorized to approve POCA #1 in the amount not to exceed \$1,540,000.00 to Berline.
	CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

DISPOSITION SOUGHT:Board ApprovalSUBMITTED BY:VP of FinanceAPPROVED BY:General Manager

SUBJECT: Adoption of the FY 2024 Operating Budget, Restricted Operating Budget, and the Proposed FY 2024 - FY 2028 Capital Budget

SUMMARY

In accordance with Public Act 2 of 1968 as amended and SMART Policy Sixteen (16), please find the proposed Fiscal Year (FY) 2024 Operating Budget, FY2024 Restricted Operating Budget, and the proposed FY2024 through FY2028 Capital Budget for the Suburban Mobility Authority for Regional Transportation (SMART). The budget is required to be considered and approved thirty (30) days prior to the beginning of the fiscal year in accordance with PA 204 of 1967.

DISCUSSION

The SMART Board Budget Committee met with staff on May 3, 2023, and reviewed the proposed FY 2024 Operating Budget, Restricted Operating Budget, and the proposed FY 2024 through FY 2028 Capital Budget. After in-depth discussion, the Budget Committee voted unanimously to move the three budgets forward to the full SMART Board for consideration.

The FY2024, SMART proposed operating budget is \$171.1 million, which includes \$1,800,000 in contingency. These operating funds will be utilized to provide for regular fixed route bus service, FAST fixed route bus service, Microtransit on demand zones, and all paratransit/Connector/Community Transit bus services in all participating Public Act 196 (of 1986) communities within Wayne County, and all of Oakland and Macomb Counties.

SMART also appropriates each fiscal year a restricted operating budget. This restricted operating budget passes through federal and state grant dollars to non-profit organizations and municipalities across Macomb, Monroe, Oakland, and Wayne Counties to contractually provide bus transportation services within their communities. The FY2024 restricted operating budget is recommended to be \$11.5 million.

SMART annually applies for federal and state grants to assist in paying for capital and some operating costs of the Authority. SMART has an estimated \$130.7 million in federal and state grants which were awarded to SMART in prior fiscal years. Further, SMART estimates an additional \$81.9 million in federal and state grant revenues for FY2024. Within the estimated federal grant funding covering FY2024, \$10.0 million of grant funding is appropriated within the FY2024 operating budget for operations.

RECOMMENDATION

It is recommended that the SMART Board of Directors adopt the FY 2024 Operating Budget, Restricted Operating Budget, and the FY 2024 through FY 2028 Capital Budget as submitted by staff and reviewed by the SMART Board Budget Committee.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Board Adoption FY2024 Operating Budget, FY2024 Restricted Operating Budget and FY2024 / FY2028 Capital Budget

Whereas,	It is the determination of the Suburban Mobility Authority for Regional Transportation (Authority) that an annual budget for Authority operation be enacted annually pursuant to Authority Board Policy Sixteen (16) and in accordance with the Uniform Budget and Accounting Act of the State of Michigan (PA 2 of 1968 as amended) to budget and appropriate money for Authority operation for FY 2024; and
Whereas,	The Authority also develops and appropriates money to fund a restricted operating budget which appropriates federal and state grant dollars to those eligible PA 196 communities and all communities in Oakland and Macomb Counties along with eligible non-profit organizations to assist in operating bus service on a local level; and
Whereas,	The Authority establishes every fiscal year a five-year Capital Budget which is utilized to plan Capital expenditures over a five-year period as well as plan for various operational grants over a five-year period; and
Whereas,	The Authority annually appoints three Board members to a special committee designated as a Budget Committee to review in detail the proposed Authority operating budget, restricted operating budget, and the five-year Authority Capital Plan which said Committee reviewed in detail within an open meeting on May 3, 2023; and
Whereas,	A public notice was published in two newspapers in the metropolitan area notifying the public that the proposed operating budgets and capital budget were available for review from April 26, 2023, to May 25, 2023; and
Whereas,	The Authority pursuant to the provisions of PA 204 of 1967 as amended will submit its FY2024 Operating Budgets and Capital Budgets to the RTA Board for review along with any comments; now, therefore be it
<u>Resolved,</u>	That the Board of Directors of Suburban Mobility Authority for Regional Transportation hereby adopts the FY 2024 Operating Budget, Restricted Operating Budget, and the FY 2024 through FY 2028 Capital Budget; and, be it further
Resolved,	That the SMART Board of Directors hereby adopts 10% of a line item as the limitation for line item amendments without Board Approval.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

EXECUTIVE SUMMARY

FY 2024 OPERATING & CAPITAL BUDGETS EXECUTIVE SUMMARY

OVERVIEW

The Suburban Mobility Authority for Regional Transportation (SMART) Fiscal Year 2024 (FY 24) operating and capital budgets represent a balanced budget and includes an increase in expenses and offsetting revenues over the previous year. The operating budget is \$171.1 million, funded through a combination of local property tax revenue, fare collections, state operating assistance, Federal capital grant funds for preventive maintenance, Federal relief and recovery funds, and state and Federal pass-through funds. The budget supports SMART's wide range of transportation offerings, including FAST, Fixed Route, Connector/ADA, Microtransit and Community Partnership/Community Transit Programs. The budget includes \$11.5 million in restricted funds, which are Federal and state grant dollars passed through to public transportation services delivered by non-profit organizations and municipalities across Macomb, Monroe, Oakland and Wayne Counties. These funds are in addition to the \$4.3 million in SMART Community Credits funded by local property tax revenue that SMART provides to agencies across the opt-in areas. The capital budget includes an estimated \$130.7 million in active federal and state grants which were awarded to SMART in prior fiscal years but not yet fully expended, and an additional \$82.0 million in federal and state grants newly available in FY 24.

The Authority has experienced reduced Fare revenue as a result of reduced ridership throughout the year, resulting in lower expected fare revenue recovery for FY 24. Additionally, the Authority has experienced increased fuel expenses during FY 23, for both propane and diesel. The increase volatility in the fuel markets has created extraordinary uncertainty in the FY 24 budgeted fuel expenses.

OPERATING BUDGET:

For FY 24, SMART revenue budget amounts to \$171.1 million, with approximately 55 percent coming from local property tax proceeds (\$94.7 million), another \$45.0 (26%) funded by gas tax funds through State Act 51 of 1951, and the remainder through federal sources (\$14.9 million), farebox revenue (\$5.6 million), and other State grant dollars (\$4.2 million). The local property tax revenues (current rates at 0.95) are supported by county-wide millage in Oakland and Macomb Counties and through member communities of Public Act 196 authorities in Wayne County.

In SMART's balanced budget, operational expenditure appropriations amount to \$171.1 million, which funds the wide range of services provided and supported by SMART. Approximately two thirds of expenses (\$113.6 million) are budgeted to provide FAST and Fixed Route bus services within Oakland and Macomb Counties and the participating communities Wayne County. Another 11.5% (\$19.6 million) is budgeted for SMART Connector bus service, which includes advanced reservation service primarily used by senior citizens and American with Disabilities Act (ADA) complementary service across the Fixed Route network. Approximately 4% (\$6.7 million) of SMART's budget has been allocated for the pilot Microtransit program. The budget includes \$4.3 million SMART Community Credits which directly support communities that participate in the local property tax, and includes specific purchased services that communities use to increase level of SMART service in their area. Administrative staffing and support, marketing and advertising totals \$22.2 million.

Pension and Other Post Employment Benefit (OPEB) employer contribution expenditures of the Authority are spread among the Operations Sections and General Administration. Total net employer pension contributions amount to \$9.7 million for the employer pension contribution as well as a \$4.0 million OPEB employer contribution for FY 24. This amount is in addition to a \$9.0 million retiree "pay go" premium payments paid out throughout the year, and is projected increase funding of the OPEB liability to 63% (above the 40% required by PA 202 of 2017).

CAPITAL EXPENDITURES:

SMART continues to make major capital investments in technological improvement, including upgrading dispatching software for Fixed Route and Connector services. Additional capital projects for FY 24 include needed facility rehabilitation improvements at all three terminals. SMART is in the process of conducting a Capital Improvement Plan, to assess the long-term terminal needs. Facility capital improvement projects should commence shortly thereafter.

OTHER ECONOMIC:

The Federal IIJA funds anticipated to come to the region present an incredible opportunity for SMART to help lead recovery in the region and invest in needed facility and equipment upgrades, innovative and flexible services, and long-term financial sustainability. SMART will update our capital budget as we complete the application for IIJA funding.

SMART and its community partners continue to work to improve local service. SMART also communicates with several non-participating communities in Oakland and Wayne Counties to explore opportunities to increase vital transportation options throughout the tri-county and Monroe service area.

SMART has included estimates of outcome from new collective bargaining contracts in the FY 24 budgets.

FEDERAL SOURCES:

FTA Section 5307:

The Authority is a recipient of funds under Section 5307 of the Urban Mass Transportation Act of 1964, as amended, which provides funds for mass transportation programs.

The Regional Transit Authority determines the distribution of the Detroit Region's funding annually. SMART expects the FY 24 distribution will be at the same rate as FY 23. Funding will be used primarily for capital needs and a modest portion for preventive maintenance.

Other Federal Grants:

The Authority is a recipient of the Unified Work Program (UWP) grant. This grant continues as historically awarded annually, with a budget of \$650,000 for FY2024. SMART will utilize this funding for long term planning initiatives.

The Authority is the designated recipient of Federal capital and operational funding for the purpose of passing through funds to subrecipients. SMART has received various federal program awards covering a portion of administrative costs incurred while administering these grants.

The Authority is a recipient of a New Freedom Mobility Management grant award. This grant is expected to cover the salaries of two staff to carry out SMART's efforts to enhance and improve mobility for New Freedom eligible clients.

STATE OF MICHIGAN SOURCES:

		<u>Total</u>	<u>Unrestricted</u>	<u>Restricted</u>
State of Michig	gan- Act 51

Monroe:	LET Subrecipient	300,000	-0-	300,000
Lake Erie:	LET Subrecipient	1,400,000	-0-	1,400,000
	Total Act 51 Formula Funding	\$50,084,000	\$45,000,000	\$5,084,000

The Authority is a recipient of operating assistance funds from the State of Michigan under Act 51 of the Public Acts of 1951 (Comprehensive Transportation Fund or CTF), as amended. The State of Michigan makes a distribution of CTF funds, which are annually appropriated by the State Legislature for mass transit operating assistance. Based on eligible expenses submitted by each Michigan eligible transit agency, a funding allocation of CTF funds is calculated by MDOT for distribution to each transit agency. Under Act 51, large urban transit agencies are eligible to receive up to 50% eligible expense reimbursement, while non-urban agencies are eligible to receive up to 60%.

SMART is the designated recipient of Act 51 funding for the purpose of passing through such funds to sub-recipient, Lake Erie Transit and Royal Oak Township. The Regional Transit Authority determined the FY2021 Act 51 reimbursement rate of 31.6%, based on member transit agencies budgeted expenses. SMART's estimated FY2024 reimbursement rate is 29%.

A portion of Act 51 funds, \$1,630,540, are formula Municipal Credit funding, restricted for the purpose of passing through to local community transit providers. Additionally, MDOT's special appropriation of Municipal Credit Sec. 10e (4) (d) is expected to continue in the same amount of \$1,630,540, for a total Municipal Credit amount of \$3,261,080.

5SMART

LOCAL SOURCES:

Contributions from County Transit Authorities (local property tax revenue allocation):

On November 8, 2022, voters in participating Public Act 196 (of 1986) communities within Wayne, and as well as all of Oakland Counties and Macomb County voted on a new \$0.95/thousand property tax rate to operate transit within their respective communities. This levy will be for the period of FY 2023 through FY2032 for Oakland County, FY 2023 through FY 2027 for Macomb County, and FY 2023 through FY 2026 for communities participating in Wayne County. These tax rates are subject to be rolled back by the Headlee amendment and can vary by County.

For FY2024, it is estimated that 8% of SMART property taxes will go uncollected either through DDA, TIF, pay-in-lieu of tax, delinquent personal property taxes, renaissance zone property tax reductions or Michigan Tax Tribunal judgments.

The estimated average tax rate is \$0.95/thousand property tax rate net contribution by County is as follows:

<u>County</u>	In Millions	Percent of Total
Macomb	\$30.7	32.4%
Oakland	45.2	47.7%
Wayne	<u>18.9</u>	<u>19.9%</u>
Net Total Levy	\$94.8	100.0%

Operational expenditures for fixed and connector bus service are allocated in accordance with the percent total (within 1%) of the property tax levy allocation highlighted above.

OPERATING SOURCES:

Fare Collections

	Fixed Route Services	Connector Services
Customers	5,021,505	241,020
Average Fare	x \$0.99	x \$1.50
Total (rounded)	 \$4,970,000	\$ 360,000

In addition, Agency revenues are anticipated to be \$25,000, and Micro-transit operations are anticipated to be \$200,000 for FY2024

OTHER REVENUE SOURCES:

Investment Revenue:

SMART invests surplus funds in a manner which will provide the highest investment return with the maximum security while meeting daily cash flow needs of the Authority. In addition, the investment of all Authority surplus funds complies with all State statutes governing the investment of public funds. For FY2024, it is anticipated that investment revenues will increase to \$3,850,000 as compared to \$300,000 million for FY 2023. This is a result of increased interest rates over the last year.

Advertising Revenue:

SMART entered into a revenue contract for advertising on fixed route buses, effective October, 2019. A minimum monthly guaranteed payment of \$50,000 or 60% of net revenues, whichever is greater, is paid to SMART each month of the contract term resulting in a minimum of \$600,000 per contract year. Based on current market conditions, vendor performance, and historical revenue trends, FY2024 budgeted advertising revenue is estimated to be slightly higher than FY2023.

EMPLOYMENT COSTS

Salaries Expense:

Non-represented employees

Wages Expense:

Estimated Drivers Hours

- Fixed Route 1,070,112
- Connector 341,084

SMART is engaged in negotiations with all union groups. The following contracts expired December 31, 2022.

- ATU Fixed Route Operators
- UAW Maintenance employees
- ATU Clerical employees
- AFSCME Dispatchers, Road Supervisors, and Maintenance Supervisors
- Teamsters Connector Operators and Customer Service Operators

Employee Benefits:

	BASE MAX. RATE			
Medicare -	Unlimited 1.45 %			
Social Security	\$ 142,800 6.20 %			
Dental	Projected actual rate			
Hospitalization:				
Active Employee	Projected actual rate			
Retirees	Projected actual rate			
Life Insurance	Projected actual rate			
Optical	Projected actual rate			
Sick & Accident	Projected actual rate			

PENSIONS AND OTHER POST EMPLOYMENT BENEFITS:

SMART has agreed in all its locally bargained labor agreements, as well as with its non-union employee group, to utilize the Michigan Employees Retirement System (MERS) to administer its defined benefit retirement program, the employer contribution retiree health funding vehicle and defined contribution retiree health care program. Administration includes accounting for and safekeeping of assets, investing said assets, administering monthly pension benefits and accounting for all retiree health care transactions for those eligible employees/retirees. Other services that MERS delivers to SMART are the annual SMART retiree system actuarial pension report. From this annual actuarial report, SMART determines its minimum annual employer retirement system contribution net of employee contributions of 4.5%.

The minimum required employer pension contribution for FY 24, as calculated by the MERS actuary is approximately \$9.7 million based on an anticipated 7.35% return on investment and a phase in schedule. SMART management will analyze the budget to actual performance for FY 24 and determine if additional funding is available for excess contributions to the pension fund. As of 6/30/2022, the SMART net pension liability is \$37.9 million.

SMART has obtained the services of an independent actuary to calculate the other post employment benefit (OPEB) annual actuarial determined contribution or ADC. When SMART operating funds are available, SMART will make the OPEB ADC payments to the Retiree Health Funding Vehicle Trust over a twelve month period.

The recommended appropriated annual required contribution that SMART is proposing for the FY 24 budget to the MERS OPEB Trust is \$4.0 million plus an additional \$8.98 million in estimated retiree health care payments. The 6/30/2022 net OPEB liability is \$58.4 million.

SUBURBAN MOBILITY AUTHORITY for REGIONAL TRANSPORTATION FISCAL YEARS 2024 TO 2028 CAPITAL BUDGET

ITEM	<u>PAGE</u>
INTRODUCTION	1
FIVE-YEAR CAPITAL BUDGET SUMMARY	2
PRIOR YEARS CARRY-OVER SUMMARY	3
PRIOR YEARS CARRY-OVER DETAIL	4-9
FIVE-YEAR CAPITAL PLAN FY 2024 – FY 2028 CAPITAL BUDGET	10-12

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION FISCAL YEARS 2024 to 2028 CAPITAL BUDGET

INTRODUCTION

The FY 2024-FY 2028 capital budget was developed in accordance with the provisions of State Act 204 and Act 51, which require that the Authority submit an annual capital budget as part of a five-year capital program projection. In May 2023, the FY 2024 State Annual Application Program will be presented to the SMART Board of Directors for approval. This program has been incorporated into the five-year capital projection, with appropriate modifications reflecting any changes in funding assumptions and/or project costs.

The five-year program presented herein has been developed based on the following assumptions:

- Under Federal Infrastructure Investment and Jobs Act (IIJA) SMART staff has requested federal funding for Fiscal Years (2024-2028) based on SEMCOG targets with an annual increase of 2% for the Federal Transportation Administration's (FTA's) 5307 and 5339 formula funding programs for SMART and Monroe. SMART's 5307 and 5339 funding reflects July 20, 2017, RTA's reallocated funding split between SMART and DDOT. This budget assumes the approved split will continue. The split for 5307 and 5339 is 50.0% SMART and 50.0% DDOT. This projection uses SEMCOG's funding targets; however, fluctuations in regional population, ridership, and service levels at both SMART and DDOT have additional impacts on funding formulas.
- On November 18, 2021, Infrastructure Investment and Jobs Act (IIJA) authorizing surface transportation programs through Fiscal Year 2026 was signed. There are no FTA Discretionary funds shown in this budget, however, the Act includes several competitive grant opportunities including Low and No Emission Bus Programs, Bus and Bus Facility Programs adds an Access and Mobility pilot program for efforts to improve the coordination of transportation services that link with non-emergency medical care. SMART may apply for these discretionary grants and other major grants as opportunities arise.
- The Monroe Governor's Apportionment projects are both capital and operating funding. The capital and operating funding is reflected in the attached "Five-Year Capital Budget Summary." The operating is listed for reference (but not factored into the capital funding sum) in the Capital Plan and is included in SMART's operating budget.
- The Congestion Mitigation Air Quality (CMAQ) funding levels for SMART and LETC reflect approved SEMCOG FY 2024 projects, while FY's 2025-2027 are anticipated applications.
- The 5310 Program, which now requires project funding requests to the Regional Transit Authority, reflects SMART's awarded projects in the "Carry Over" column of the five-year Capital Budget Summary and anticipated requests for funding for FY 2023-28. SMART will continue to request the maximum funding available, but the funding award may go down depending on the request levels of other agencies in the region.
- There are no Detroit UZA JARC or New Freedom funds shown in this budget due to the elimination of dedicated Sections 5316 and 5317. NOTA continues to receive Non-Urban JARC and New Freedom funds from MDOT. An application has been submitted to MDOT for FY 2023 Nonurban New Freedom and JARC funds for NOTA. New Freedom urban activities are now funded as part of SMART's Section 5310 anticipated requests.
- Per MDOT, capital line items reflect a 20% State match.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION FISCAL YEARS 2024 to 2028 CAPITAL BUDGET NEEDS BASED ON ELIGIBILITY AND FUNDING FIVE-YEAR CAPITAL BUDGET SUMMARY (000 OMITTED)

TOTAL	\$130,722	\$81,993	\$60,628	\$57,781	\$60,744	\$58,763	\$57,220	\$507,851

Assumptions:

Future Fiscal Years (2024 - 2028) federal formula funding based Semcog targets with an annual increase of 2%.

Funding Levels Assume 50.0% SMART / 50.0% DDOT Formula Funding Split for 5307 & 5339

Capital projects reflect a 20% MDOT match for capital and 50% local match for 5307 Gov Appt and 5310/New Freedom Operating.

FY 2024-2026 CMAQ & Carbon Reduction Programs Project approved by SEMCOG. FY2027 are anticipated applications based on application history.

SMART 5310 Projects Assume RTA Award of Requested Projects.

* SMART's 5307 Preventative Maintenance, CMAQ, LETC Governor's Apportionment, SMART 5310, New Freedom-Urban, New Freedom-Non Urban (NOTA), JARC Non-Urban & WOTA, NOTA & OPC Carbon Reduction Program all include some amount of operating assistance in their summary figures.

** 5310 applications for Monroe Non-Urban agencies are processed thru MDOT; they are not part of Detroit UZA.

(^) SMART Funding from the FY's 2020, 2022 and 2023 5307 & FY 2023 5339 grants remain unobligated due to Section 106 (NEPA) requirements

Notes

* Future Fiscal Years (2024-2028) federal formula funding based on Semcog targets with an annual increase of 2%.

** Funding levels for SMART 50% share of Detroit UZA funds for 5307 and 5339.

+ FY 2024-2026 CMAQ & Carbon Reduction Programs Projects approved by SEMCOG. FY2027 CMAQ are anticipated applications based on application history.

++ SMART's share of the 5310 Funding for the Detroit UZA is determined by the Regional Transit Authority. Projects shown in budget are anticipated requests for funding.

Nonurban New Freedom funds are allocated by MDOT and are separate and in addition to SMART's share of the 5310 funding for the Detroit UZA.

Monurban 5311 funds are administered by MDOT. SMART applies on behalf of eligible subrecipients in SMART's service area.

Governor's Apportionment, Section 5310 Funding and JARC can have some portion used for operating assistance (50% Federal with 50% Local Match,

50% Federal with 50% State Match, and 80% Federal with 20% Local.) These numbers are shown on the table but not included in the sum of capital funds.

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	VP of Finance
FROM:	Finance Department	APPROVED BY:	General Manager
SUBJECT:	Fiscal Year 2024 Municipal Credit	, Community Credit, and Purcha	se of Service Agreements
	(Those receiving \$50,000 or greate	r)	

SUMMARY

Board authorization is sought thereby permitting the execution of Municipal and Community Credit and Purchase of Service (POS) contracts with local communities and agencies entitled to receive total funding in excess of \$50,000. The agreement involves funds from the FY 2024 Act 51 Municipal Credit Program, SMART Community Credit Program, and federal pass-through funds for Monroe County.

DISCUSSION

Municipal and Community Credit and POS agreements provide, and govern the use of, the primary source of operating revenue for the SMART community-based transit programs.

Municipal Credit funds are allocated on a per capita basis to each municipality in Macomb, Oakland, and Wayne counties. The funding level is determined by the Michigan Legislature and is unchanged from the last year, consistent with the figures established using the 2020 census figures.

Community Credit funds are generated in the past by the tax collected in Macomb and Oakland County, and the opt-in communities in suburban Wayne counties. First implemented by the Board of Directors in 1996, the program was designed to support the expanded operation of local transportation programs by providing operating and capital funds to local units of government. The availability of Community Credits in 2024 is made possible due to the passage of the 2022 .95 mill, transit ballot proposals. Community Credit funds are only made available to local communities that participate in the collection of the transportation millage. Community Credits are included in the FY 2024 Operating Budget.

Purchase of Service (POS) contracts are executed with transportation providers for the provision of paratransit services. The providers operate public transportation within their respective service areas under the terms and conditions set forth by the SMART Board of Directors. Tri-County POS projects are funded with a combination of Municipal and Community Credits, local funds, and other grants. The Monroe County POS projects are funded through SMART with state and federal funds at the level they would receive if their projects applied independently.

All funds are in the FY 2024 operating budget and the contracts are effective July 1, 2023.

For a complete list of communities and agencies receiving funds in excess of \$50,000 see the tables following the attached Resolution.

RECOMMENDATION

That the SMART Board of Directors approves the attached resolution authorizing the execution of contracts described herein.

ATTACHMENTS

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Execute FY 2024 Municipal Credit and Community Credit Agreements and Purchase of Service Contracts Fiscal Year 2024 Municipal Credit, Community Credit, and Purchase of Service Agreements (Those receiving \$50,000 or greater)

- Whereas, That the SMART Board of Directors is responsible for the design, implementation, and oversight of public transportation in suburban Macomb, Oakland, and Wayne counties; and
- Whereas, SMART is the recipient of federal and state funds for certain transportation programs operated in Monroe County; and
- Whereas, The Authority has adopted an operating budget for the fiscal year 2024 utilizing available federal, state, and local funds; and

Whereas, The SMART Board of Directors adopted a policy that would enhance locally provided services by returning a portion of the proceeds from each county's property tax back to local communities; and

- Whereas, Pursuant to State law, the Authority has established mechanisms for use of Act 51 Municipal Credit funds for each municipality in Macomb, Oakland, and Wayne Counties; and
- Whereas, The Authority has established a mechanism for the use of Community Credit funds; and
- Whereas, SMART acts as a "pass-through" agency for certain transportation programs operated in Monroe County; now, therefore be it
- <u>Resolved</u>, That the General Manager of the Suburban Mobility Authority for Regional Transportation is authorized to execute Municipal and Community Credit and Purchase of Service (POS) agreements in Fiscal Year 2024 with the communities and agencies in the amounts listed in the attached tables.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

TO:	SMART Board of Directors	SUBMIT
FROM:	Finance Department	APPROV

ITION SOUGHT: Board Approval TED BY: VP of Finance /ED BY:

Deputy General Manager

SUBJECT: Contract to participate in the DTE Charging Forward eFleet - Charging Infrastructure Enablement Rebate Program

SUMMARY

To promote the adoption of electric vehicles in the area, DTE Electric Company has extended a rebate program to assist SMART with costs associated with the installation of electric vehicle charging infrastructure. SMART has recently installed two eligible charging stations at Oakland Terminal. Under this program, DTE will reimburse SMART up to \$70,000 per charging station. The program does require SMART to continue to operate the charging infrastructure and electric vehicles for a 5-year period. However, that is less restrictive than the use requirements for the grant funding agreement used to purchase electric vehicles and charging infrastructure.

RECOMMENDATION:

That the Board of Directors approve of the proposed contract with DTE.

ATTACHMENTS

• Resolution

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to approve a contract with DTE Electric Company

- Whereas, DTE Electric Company has extended their Charging Forward eFleet program to SMART, which will financially assist SMART with expenditures related to electric fleet charging infrastructure; and
- Whereas, SMART has installed charging infrastructure at the Oakland Terminal, which is eligible for participation in the DTE Charging Forward program; now, therefore be it
- <u>Resolved</u>, That the General Manager of the Suburban Mobility Authority for Regional Transportation hereby is authorized to execute a contract with DTE Electric Company for participation Charging Forward eFleet program.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

DATE:	May 25, 2023	DISPOSITION SOUGHT	: Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	General Manager
FROM:	Procurement Department	APPROVED BY:	Certification Committee
SUBJECT:	Authorization to Approve a Purcha	ase Order Change Action (P	OCA #4) for Additional
	Time Incurred for Financial Audit	Services	

RECOMMENDATION

That the Board adopt the attached resolution authorizing a purchase change order action:

- for the cover of additional time incurred for financial audit services
- to Plante & Moran located at 19176 Hall Road Suite 300, Clinton Township, MI 48038
- at a cost not to exceed \$44,675.00

DISCUSSION

On May 23, 2019, the SMART Board approved a contract with Plante & Moran for Financial Audit Services. The Finance Department has a need for additional funds to cover additional time incurred for financial statement audit for the Fiscal Year of 2022. This POCA #4 in the amount not to exceed \$44,675.00 is needed for Financial Audit Services. Pricing has been determined fair & reasonable.

FUNDING & COSTS:

The additional funds for this project are funded via: Operating Funds.

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	General Manager
FROM:	Procurement Department	APPROVED BY:	Certification Committee
SUBJECT:	Authorization to Approve a Purcha Funds for Bus Simulator	se Order Change Action (PO	CA) #1 for Additional

RECOMMENDATION

That the Board adopt the attached resolution authorizing a purchase change order action:

- To cover additional funds for the bus simulator project
- to The LaSalle Group, Inc. of Michigan located at 30375 Northwestern Hwy., Farmington Hills, MI 48334
- at a cost not to exceed \$10,106.00

DISCUSSION

On August 21, 2019, SMART's Board approved a contract with La Salle Group for the HEIN building bus simulator project. The Maintenance Department has a need for funds to cover additional work on the simulator. This POCA #1 in the amount not to exceed \$10,106.00 is needed for work on the bus simulator. Pricing has been determined fair & reasonable.

FUNDING & COSTS:

The additional funds for this project are funded via: Project 40270; Federal Grant MI-2016-025 (5307); State Grant 2012-0170 P42

The summary of the original purchase and POCAs is as follows:

	Cost
Base Contract	\$396,498.00
POCA #1	\$ 10,106.00
Total	\$406,604.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION RESOLUTION

RESOLUTION

	Authorization to Approve a Purchase Order Change Action (POCA) #1 for additional funding for Bus Simulator Project
Whereas,	The Suburban Mobility Authority for Regional Transportation (SMART) is requesting a Purchase Order Change Action (POCA) for additional funding to cover the cost of all labor, material, and equipment to complete the requested additional low voltage work on the HEIN building bus simulator project; and
Whereas,	A POCA #1 submitted in the amount not to exceed \$10,106.00 is needed by the Maintenance Department to cover additional funding for the HEIN building Bus Simulator Project. Pricing has been determined fair and reasonable; and
Whereas,	Funding for POCA #1 will be funded via Capital Funds Project 40270; Federal Grant MI-2016-025 (5307); State Grant 2012-0170 P42; and
Whereas,	The Director of Finance is satisfied that La Salle Group has performed under the contract terms and conditions; and
Whereas,	The EEO Department is satisfied that La Salle Group is in compliance with the equal opportunity/affirmative action policies of the Federal and State government and the affirmative action policies of SMART; now, therefore be it
<u>Resolved</u> ,	That the General Manager of Suburban Mobility Authority for Regional Transportation is hereby authorized to approve POCA #1 in the amount not to exceed \$10,106.00 to La Salle Group.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

FROM:	Procurement Department	APPROVED BY:	General Manager
SUBJECT:	Authorization for Purchase Order	Change Action (POCA) #1 F	ire Extinguishers &
	Maintenance Contract - Additional	Funds	

RECOMMENDATION

That the Board adopt the attached resolution authorizing a purchase change order action:

- additional funds for Fire Extinguishers & Maintenance Contract
- to Gallagher Fire Equipment located at 30895 W 8 Mile Rd, Livonia, MI 48152
- at a total cost not to exceed \$21,143.20

DISCUSSION

On August 29, 2022, SMART entered into a contract with Gallagher Fire Equipment for Fire Extinguishers & Maintenance. SMART's Maintenance Department has a need for additional funds for Oakland Fire Suppression System repair and inspection. POCA #1 in the amount not to exceed \$21,143.20 is needed to additionally fund the repair and inspection of the Oakland Fire Suppression System. The cost exceeds the allowable threshold as stipulated in SMART Board Policy No. 1. Pricing has been determined fair and reasonable.

FUNDING & COSTS:

The additional funds for this project are funded via operating funds.

The summary of the original purchase and POCAs is as follows:

Stage	Date Board Approval/Requested	Work	Cost
Base Three-Year Contract 8/29/2022-8/28/2025	N/A	Fire Extinguishers & Maintenance	\$87,000.00
POCA #1	May 25, 2023	POCA #1 Additional Funds for Oakland Fire Suppression System Repair & Inspection	\$21,143.20
		Cumulative TOTAL	\$108,143.20

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for Bus Wraps

Whereas,	SMART has a need for bus wraps of some of its fleet that requires a contractor for
	design, installation, and maintenance; and

- Whereas, A Request for Proposal (RFP) was advertised and published on Michigan Intergovernmental Trade Network (MITN) for which two proposals were received; and
- Whereas, An evaluation and selection committee was appointed by the General Manager to evaluate the two proposals according to the criteria in the RFP; and
- Whereas, The proposal submitted by Turbo Images was determined to be most advantageous to SMART with price and other specified evaluation factors being considered. Price was determined to be fair and reasonable; and
- Whereas, Adequate funding is available in the Authority's general fund; and
- Whereas, The Director of Finance is satisfied that Turbo Images has the potential to perform under the terms and conditions of the contract; and
- Whereas, The EEO Department is satisfied that Turbo Images is in compliance with the equal opportunity and affirmative action laws and policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
- <u>Resolved</u>, That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a contract for installation, removal, and maintenance/repair of SMART buses for a one-year contract with two, one-year option renewals not to exceed \$937,203.00.

CERTIFICATE

TO:	SMART Board of Directors
FROM:	Purchasing Department

DISPOSITION SOUGHT: SUBMITTED BY: APPROVED BY:

Board Approval General Manager Certification Committee

SUBJECT: Authorization to Award a Contract for Propane Auto Gas for the Connector Fleet

RECOMMENDATION

That the Board adopts the attached resolution authorizing the award of a contract:

- for Propane Auto Gas for the SMART Connector Fleet
- to Webster & Garner located at 3346 W. Vienna Rd., Clio, MI 48420
- for a one-year contract with no renewal option
- at a cost not to exceed \$1,482,000.00.

DISCUSSION

SMART has the need for liquid petroleum gas (LPG) to provide fuel for its propane-fueled cutaway, Connector buses. The use of propane-powered vehicles has reduced SMART's operating expenses due to the lower cost of propane versus diesel. It is estimated that SMART consumes 750,000 gallons of propane annually.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for Propane Auto Gas for Connector Fleet

Whereas,	The Suburban Mobility Authority for Regional Transportation (SMART) has a requirement for propane autogas for its Connector fleet; and
Whereas,	A Request for Quote (RFQ) was advertised and posted on MITN. Two bids were received; and
Whereas,	The bid submitted by Webster & Garner is the lowest, responsive, and responsible and the price has been determined to be fair and reasonable; and
Whereas,	Adequate funding is available in the Authority's general fund; and
Whereas,	The Vice President of Finance is satisfied Webster & Garner has the potential to perform under the terms and conditions of the contract; and
Whereas,	The EEO Department is satisfied that Webster & Garner is in compliance with the equal opportunity and affirmative action laws and policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
<u>Resolved</u> ,	That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a one-year contract for an amount not to exceed \$1,482,000.00 to Webster & Garner for Propane Auto Gas for Connector Fleet. There is no renewal option.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

DISPOSITION SOUGHT: SUBMITTED BY: APPROVED BY: Board Approval General Manager Certification Committee

SUBJECT: Authorization to Award a Contract for Barrel & Sludge/Wastewater Removal and Disposal Service

RECOMMENDATION

That the Board adopts the attached resolution authorizing the award of a contract:

- for Barrel & Sludge/Wastewater Removal and Disposal Service
- to Birks Works Environmental LLC at 19719 Mt. Elliott Street, Detroit, MI 48234
- for a one-year contract with two, one-year renewal options
- at a cost not to exceed \$103,500.00.

DISCUSSION

Maintenance functions at SMART's three maintenance facilities located in Macomb, Oakland, and Wayne Counties produce a variety of petroleum, sludge, and wastewater that requires removal and disposal consistent with state and federal regulations. In addition to barrel and miscellaneous waste products, this includes a buildup of dirt and debris. Bus wash water and motor oil drainage form the bulk of the sludge that is captured in drains, pits, etc. at these facilities. The catch basins, pits, and oil and water separators must be cleaned on a regular schedule. In addition to being removed, these substances must be disposed of safely and legally.

PROCUREMENT PROCESS

Procurement Method:	\Box Sealed Bid \boxtimes Proposal \Box Quotes \Box Sole Source
Advertising:	Michigan Chronicle and Michigan Inter-governmental Trade Network
# of downloads:	14
Number of Proposers:	2 Proposals
Rationale for award:	A request for Proposal (RFP) was advertised and SMART received two proposals and one no-bid response. In the proposal submitted by Birks Works Environmental LLC, the incumbent was determined to be responsive and responsible. The price was determined to be fair and
	reasonable.

FUNDING & COSTS

Funding for this service is available through the Authority's general fund.

The contract costs are summarized as follows:

Description	Cost
Barrel & Sludge/Wastewater Removal and Disposal Service	\$103,500.00
One (1) Year Contract	
Option Year One (1)	\$103,500.00
Option Year Two (2)	\$103,500.00
Total Max	\$310,500.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for Barrel & Sludge/Wastewater Removal and Disposal Service

Whereas,	The maintenance facilities at all SMART locations require barrel & sludge/wastewater removal and disposal services; and
Whereas,	A Request for Proposal (RFP) was advertised and published on Michigan Intergovernmental Trade Network (MITN). Two proposals were received; and
Whereas,	The proposal submitted by Birks Works Environmental LLC was determined to be most advantageous to SMART with price and other specified evaluation factors being considered. Price was determined to be fair and reasonable; and
Whereas,	Adequate funding is available in the Authority's general fund; and
Whereas,	The Vice President of Finance is satisfied Birks Works Environmental LLC has the potential to perform under the terms and conditions of the contract; and
Whereas,	The EEO Department is satisfied that Birks Works Environmental LLC is in compliance with the equal opportunity and affirmative action laws and policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
<u>Resolved</u> ,	That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a one-year contract for an amount not to exceed \$103,500.00 to Birks Works Environmental LLC for Barrel & Sludge/Wastewater Removal and Disposal Services. There are two, one-year renewal options estimated not to exceed \$103,500.00 per year. If all three option years are renewed the total cost would be \$310,500.00.

CERTIFICATE

DATE: May 25, 2023 TO: SMART Board of Directors FROM: Purchasing Department

DISPOSITION SOUGHT: Board Approval SUBMITTED BY: APPROVED BY:

General Manager Certification Committee

SUBJECT: Authorization to Award a contract for Motorola 800 MHz Radio System for Lake Erie Transit Commission (LETC)

RECOMMENDATION

That the Board adopts the attached resolution authorizing the award of a contract:

- for Motorola 800 MHz radio system
- to Motorola Solutions located at 500 W Monroe, Chicago, IL 60661
- at a cost not to exceed \$314,684.00

DISCUSSION

Lake Erie Transit Commission (LETC) is requesting to purchase radio equipment for the purpose of replacing age-eligible equipment currently in use. The sole source for the Motorola brand of radio is because Lake Erie Transit is a member of the Michigan Public Safety Communications System (MPSCS) and its members may only use MPSCS-approved radios, with authorized and validated serial numbers, talk groups, and radio IDs. LETC is affiliated with MPSCS due to its close proximity to the FERMI nuclear plant in Monroe and its involvement in assisting in the evacuation in case of an emergency.

PROCUREMENT PROCESS

Procurement Method: \Box Sealed Bid \Box Proposal \Box Quotes \boxtimes Sole Source

- Rationale for award: The Motorola Radio System can only be purchased from the sole owner Motorola Solutions. Procurement determined the purchase can only be made from one source and meets the sole source procurement method. Therefore, the purchase of Motorola Radio System is authorized as non-competitive for the following reasons allowed by FTA:
 - FTA Circular 4220.1F "... Procurement by noncompetitive proposals may be • used only when the award of a contract is infeasible under small purchase procedures, sealed bids...and at least one of the following circumstances apply: (a) The items is available only from a single source.

FUNDING & COSTS

The purchase is funded via: Project 40840 Federal Grant MI-2018-018 (5307) State Grant 2017-0130 P11

The contract costs are summarized as follows:

Description	Cost
Purchase and Installation of Motorola 800 MHz radio system	\$314,684.00
Total	\$314,684.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for Motorola 800 MHz Radio System for Lake Erie Transit Commission

- Whereas, Lake Erie Transit Commission (LETC) is requesting to purchase radio equipment for the purpose of replacing age-eligible equipment currently in use; and
- Whereas, The sole source for the Motorola brand of radio is because Lake Erie Transit is a member of the Michigan Public Safety Communications System (MPSCS) and its members may only use MPSCS-approved radios, with authorized and validated serial numbers, talk groups, and radio IDs; and
- Whereas, The Suburban Mobility Authority for Regional Transportation (SMART) Procurement Department determined the purchase can only be made from one source, and meets the sole source procurement solicitation. Therefore, the purchase and installation of Motorola 800 MHz Radio System is authorized as non-competitive allowed by the FTA. Price was determined fair and reasonable; and
- Whereas, The project is funded via Project 40840 Federal Grant MI-2018-018 (5307) State Grant 2017-0130 P11; and
- Whereas, The Director of Finance is satisfied that Motorola Solutions has the potential to perform under the contract terms and conditions; and
- Whereas, The EEO Department is satisfied that Motorola Solutions is in compliance with the equal opportunity/affirmative action policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
- <u>Resolved</u>, That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a contract in the amount not to exceed \$314,684.00 for Motorola 800 MHz Radio System to Motorola Solutions.

CERTIFICATE

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

DISPOSITION SOUGHT: Board Approval SUBMITTED BY: APPROVED BY:

General Manager **Certification Committee**

SUBJECT: Authorization to Award a Contract for Trapeze Scheduling Software Maintenance and Trapeze Training and Consulting

RECOMMENDATION

That the Board adopts the attached resolution authorizing the award of a contract:

- for a maintenance contract with Trapeze Scheduling Software modules & Trapeze Training and • Consulting
- to Trapeze Software Group Inc. located at 5265 Rockwell Drive NE, Cedar Rapids, IA 52402
- for a five-year contract with no renewal option •
- at a total cost not to exceed \$1,229,670.00 •

DISCUSSION

Since 1997, SMART utilizes several Trapeze software modules to support Fixed Route operations. To streamline and coordinate the annual maintenance agreements, the Information and Technology Department has combined all of the various software maintenance agreements and the upgrade cost into one purchase order for five years for the following modules. Trapeze will also be providing Training & Consulting on a yearly basis.:

- 1. Bus Stop Manager (BSM)
- 2. Malteze FX Timekeeping Interface
- 3. Mapmaker Import/Export Map Data
- 4. FX MON Mobile Data Terminal (MDT) Interface
- PROCUREMENT PROCESS

Procurement Method: \Box Sealed Bid \boxtimes Sole Source \Box Proposal □ Quotes

- Rationale for award: This is proprietary software and the maintenance agreement is a justifiable source purchase. Staff does not recommend a wholesale change in the Fixed Route software at this time. The annual maintenance fees for Trapeze are based on current license fees for each software module. A benchmark was done to determine that a 5% yearly escalation cost is the standard for Trapeze customers. Therefore, the purchase of Trapeze software licenses and maintenance is authorized as noncompetitive for the following reasons allowed by FTA.
 - FTA Circular 4220.1F "... Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids...and at least one of the following circumstances apply: (a) The items are available only from a single source.

- 5. FX Fixed Route Scheduling system
- 6. EAM Enterprise Asset Management system - maintenance and asset tracking

FUNDING & COSTS

The project is funded via: Authority's Operating Funds

The contract costs are summarized as follows:

Description	Total Cost
Trapeze Software Licenses & Maintenance for five years	\$1,054,671.00
Trapeze Training & Consulting	\$ 175,000.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for Trapeze Scheduling Software Maintenance and Trapeze Training and Consulting

Whereas,	SMART has a need for specialized transit scheduling and dispatching software as well as training and consulting; and
Whereas,	Trapeze Software Group Inc. has provided software to SMART since 1997 and is the only provider of software maintenance and upgrades for these software packages; and
Whereas,	The Trapeze software modules include: Bus Stop Manager (BSM), Malteze FX (Timekeeping, Interface) Mapmaker (Import/Export Map Data), FX MON - Mobile Data Terminal (MDT) Interface, FX – Fixed Route Scheduling, and the Enterprise Asset Management (EAM) System; and
Whereas,	This is proprietary software and a maintenance agreement is a justifiable source purchase. Therefore, the contract with purchase is authorized as non-competitive allowed by the FTA; and
Whereas,	Adequate funding is available in the Authority's general fund; and
Whereas,	The Director of Finance is satisfied that Trapeze Software Group Inc. has the potential to perform under the contract terms and conditions; and
Whereas,	The EEO Department is satisfied that Trapeze Software Group Inc. is in compliance with the equal opportunity/affirmative action policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
Resolved,	That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a five-year contract to Trapeze Software Group Inc. for Trapeze Software License and Maintenance for an amount not to exceed \$1,229,670.00.

CERTIFICATE

There are no renewal options.

The undersigned duly qualified Board Secretary of the Suburban Mobility Authority for Regional Transportation certifies the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Board of the Suburban Mobility Authority for Regional Transportation held on May 25, 2023.

DATE:	May 25, 2023	DISPOSITION SOUGHT:	Board Approval
TO:	SMART Board of Directors	SUBMITTED BY:	VP of Paratransit and
		On-Demand	
FROM:	Bus Operations	APPROVED BY:	General Manager
SUBJECT:	Authorization to enter into an inter	local agreement with the City	y of Dearborn for a pilot
program to pro	ovide subsidized SMART Flex micro	transit rides within the City of	of Dearborn.

RECOMMENDATION

That the Board adopts the attached Resolution authorizing SMART to enter into an interlocal agreement with the City of Dearborn to provide a subsidized fare to SMART Flex microtransit riders for all rides originating and ending within the city limits of the City of Dearborn.

DISCUSSION

SMART Flex microtransit rides are provided within the City of Dearborn. During the term of the agreement, the City of Dearborn will subsidize each and all SMART Flex microtransit rides originating and ending within the city limits of the City of Dearborn. Riders pay a base fare for SMART Flex microtransit rides; the base fare will be subsidized by \$1.00 per ride by the City of Dearborn. SMART is requesting the Board to approve an interlocal agreement pursuant to which SMART will receive a \$1.00 per ride subsidy from the City of Dearborn for each and all SMART Flex microtransit rides that originate and end within the City of Dearborn. The subsidy will enable SMART Flex microtransit riders to travel within the city of Dearborn at a reduced rate. The term of the interlocal agreement shall begin on July 1, 2023, and end on December 15, 2023.

FUNDING & COSTS

The recommended interlocal agreement is not expected to have any effect on the SMART budget.

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to enter into an interlocal agreement with the City of Dearborn for a pilot program to subsidize SMART Flex microtransit rides within the city limits of the City of Dearborn

Whereas,	Board authorization is requested to enter into an interlocal agreement with the City of Dearborn; and
Whereas,	SMART has the ability to provide microtransit services to passengers within the City of Dearborn; and
Whereas,	The City of Dearborn will provide a \$1.00 per ride subsidy for each and all SMART Flex rides originating and ending within the city limits of the City of Dearborn; and
Whereas,	SMART will invoice the City of Dearborn for the SMART Flex subsidy within the first ten (10) days of each calendar month for rides taken in the previous month; and
Whereas,	The City of Dearborn will pay invoices within thirty (30) days of receipt from SMART; and
Whereas,	the term of the interlocal agreement will begin on July 1, 2023, and end on December 15, 2023; now, therefore be it
Resolved,	That the General Manager is hereby authorized to enter into an interlocal agreement with the City of Dearborn for the establishment of a pilot program to provide subsidized SMART Flex microtransit rides within the city limits of the City of Dearborn.

INTERLOCAL AGREEMENT

BETWEEN

THE CITY OF DEARBORN

AND

THE SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION (SMART)

This Agreement ("Agreement") is made between The City of Dearborn, 16901 Michigan Avenue, Dearborn, MI 48126, ("City"), and the Suburban Mobility Authority for Regional Transportation, Buhl Building, 535 Griswold Street Suite 600, Detroit, MI 48226 ("SMART"). In this Agreement, the City or SMART may also be referred to individually as "Party" or jointly as "Parties."

Legal Authority.

The Parties are authorized to enter into this Agreement pursuant to P.A. 1967, No. 7 (MCL 124.501 et seq.).

Purpose of Agreement.

The purpose of this agreement is to establish a pilot program to provide subsidized SMART Flex microtransit rides currently administered by River North Transit ("Via") within the City of Dearborn, to SMART riders, consistent with the Scope of Services attached as Exhibit A.

<u>Agreement Documents</u> mean the following documents, which this Agreement includes and incorporates:

Exhibit A: Scope of Services

Exhibit A, and any subsequent amendments thereto, shall be subject to the Terms and Conditions set forth below. In the event of any conflict between *Exhibit A* and the Terms and Conditions, the language of *Exhibit A* shall control.

In consideration of the mutual promises, obligations, representations, and assurances in this Agreement, the Parties agree as follows:

1. Obligations of the Parties.

A. Responsibilities of the City:

- i. The City shall reimburse SMART for a portion of every SMART Flex microtransit ride provided to SMART Flex riders within the City of Dearborn, as described and agreed upon in *Exhibit A*.
- ii. The City will assist and cooperate with SMART in the facilitation of this program.

B. Responsibilities of SMART:

i. SMART agrees to render the services specified in the "Scope of Services," attached hereto as *Exhibit A*

2. No Indemnification.

- A. Each Party shall be responsible for any Claims made against that Party and for the acts of its Employees or Agents in connection with the performance of this Agreement.
- B. In any Claim that may arise from the performance of this Agreement, each Party shall seek its own legal representation and bear the costs associated with such representation including any attorney fees.
- C. Except as otherwise provided in this Agreement, neither Party shall have any right under any legal principle to be indemnified by the other Party or any of its employees or Agents in connection with any Claim in connection with the performance of this Agreement.
- 3. **No Implied Waiver.** Except as otherwise expressly provided for in this Agreement:
 - A. Absent a written waiver, no act, failure, or delay by a Party to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights with regard to any existing or subsequent breach of this Agreement.
 - B. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement.
 - C. No waiver by either Party shall subsequently affect its legal rights, including to require strict performance of this Agreement.
- 4. <u>Reservation of Rights.</u> This Agreement does not and is not intended to impair, divest, delegate, or contravene any constitutional, statutory, and/or other legal right, privilege, power, obligation, duty, immunity, or governmental immunity of the Parties. Nothing in this Agreement shall be construed as a waiver of governmental immunity for either Party.
- 5. <u>Costs.</u> The Parties shall not pay any fees, costs, fines, or demands arising out of the activities to be carried out pursuant to this Agreement, except as provided herein and described in the Scope of Services.

- 6. <u>Termination or Cancellation of Agreement.</u> Either Party may terminate or cancel this Agreement for any reason upon thirty (30) calendar days written notice to the other Party.
- 7. <u>Notice.</u> All notices or other communications shall be sent by first class mail to all Parties at the address set forth above or such other address as a Party may subsequently designate in writing. Any written notice required or permitted under this Agreement shall be considered delivered to a Party as of the date that such notice is deposited, with sufficient postage, with the U.S. Postal Service.

With a copy to CITY OF DEARBORN LEGAL COUNSEL: Jeremy J. Romer, (or successor) Corporation Counsel City of Dearborn 16901 Michigan Avenue, Ste. 14 Dearborn, MI 48120 313.943.2035

And a copy to: SMART Ron Beier, General Counsel 535 Griswold Street Suite 600, Detroit, MI 48226 313.223.2153

- 8. <u>Audits.</u> The Parties agree that financial records relating to this Agreement will be available upon request and reasonable notice for review or audit by the Parties or other appropriate officials for a period not to exceed seven (7) years from the completion of this Agreement.
- 9. <u>Compliance with Laws.</u> Each Party shall comply with all federal, state, and local statutes, ordinances, regulations, administrative rules, and requirements applicable to its activities performed under this Agreement.
- 10. <u>Delegation/Subcontract/Assignment.</u> Except as provided in this Agreement no Party shall delegate, subcontract, and/or assign any obligations or rights under this Agreement without the prior written consent of the other Party.
- 11. <u>Severability.</u> If a court of competent jurisdiction finds a term or condition of this Agreement to be illegal or invalid, then the term or condition shall be deemed severed from this Agreement. All other terms, conditions, and provisions of this Agreement shall remain in full force.
- 12. <u>Governing Laws.</u> This Agreement shall be governed, interpreted, and enforced by the laws of the State of Michigan, regardless of its conflict of laws provisions.

- 13. Jurisdiction and Venue. Except as otherwise required by law or court rule, any action brought to enforce, interpret, or decide any Claim(s) arising under or related to this Agreement shall be brought in the Third Judicial Circuit Court of the State of Michigan, or the United States District Court for the Eastern District of Michigan, Southern Division, as dictated by the applicable jurisdiction of the court. Except as otherwise required by law or court rule, venue is proper in the courts set forth above. The choice of forum set forth above shall not be deemed to preclude the enforcement of any judgment obtained in such forum or taking action under this Agreement to enforce such judgment in any appropriate jurisdiction.
- 14. **Discrimination.** The Parties shall not discriminate against their employees, agents, applicants for employment, or another person or entities with respect to hire, tenure, terms, conditions, and privileges of employment, or any matter directly or indirectly related to employment in violation of any federal, state or local law.
- 15. <u>Force Majeure.</u> Each Party shall be excused from any obligations under this Agreement during the time and to the extent that a Party is prevented from performing due to causes beyond the Party's control, including, but not limited to, an act of God, war, fire, strike, labor disputes, civil disturbances, reduction of power source, pandemic, or any other circumstances beyond the reasonable control of the affected Party. Reasonable notice shall be given to the other party of any such event.
- 16. <u>Use of SMART Logo.</u> The City shall not use, publish, or copy SMART's name and/or logo, separately or in any combination, or otherwise any similar names, trademarks, or trade names for any purpose without SMART's prior written approval.
- 17. **<u>Breach.</u>** If a Party or Parties are found to have breached this Agreement, and as a result of the breach, funds are required to be refunded, the breaching Party or Parties are responsible for the refunding of money.

18. Effective Date and Duration of the Agreement.

This Agreement shall begin on <u>July 1, 2023</u>, and remain in in effect until, <u>December 15, 2023</u>, unless cancelled or terminated by either of the Parties as provided herein or as set forth in *Exhibit A*.

- 19. <u>Agreement Modification.</u> Any modifications, amendments, recessions, waivers, or releases to this Agreement must be in writing and signed to by both Parties.
- 20. <u>Entire Agreement.</u> This represents the entire agreement and understanding between the Parties. This Agreement supersedes all other oral or written agreements and memorandums between the Parties regarding this subject matter.
- 21. <u>Authorization and Completion of Agreement.</u> The Parties have taken all actions and secured all approvals necessary to authorize and complete this Agreement. The persons signing this Agreement on behalf of each Party have legal authority to sign this Agreement and bind the Parties to the terms and conditions contained herein.

EXHIBIT A:

Scope of Services

The Scope of Services to be provided by the Suburban Mobility Authority for Regional Transportation ("SMART") and the City of Dearborn ("City") pursuant to the Interlocal Agreement ("Agreement") for the purpose of establishing a pilot program to provide subsidized SMART Flex microtransit rides within the city limits of the City of Dearborn is set forth as follows:

- 1. The City of Dearborn shall reimburse SMART \$1.00 per ride for each and all SMART Flex rides taken within the Service Area. The Service Area shall constitute the geographical area within the Dearborn City limits.
- 2. SMART shall provide to the City an invoice for subsidized SMART Flex rides taken each calendar month within 10 days of the start of the following calendar month;
- 3. The City shall reimburse SMART within 30 days of receiving the invoice.
- 4. The program shall begin on the effective date of the Agreement and shall end on December 15, 2023, unless canceled, terminated, or extended by either of the Parties as provided in the Agreement.
- 5. This Scope of Services may be amended in writing by mutual consent of the parties. Any such amendments shall be incorporated by reference into the Agreement and shall be subject to the terms of the Agreement.

FROM:	Purchasing Department

DISPOSITION SOUGHT: Board Approval SUBMITTED BY: APPROVED BY:

General Manager Certification Committee

SUBJECT: Authorization to Award a contract for StrataGen Paratransit Scheduling Software Upgrade, Training & Professional Services

RECOMMENDATION

That the Board adopts the attached resolution authorizing the award of a contract:

- for StrataGen Paratransit Scheduling Software Upgrade, Training & Professional Services
- to StrataGen Systems, Inc. located at 8271 154th Ave, NE Redmond, WA 98052 •
- at a cost not to exceed \$1,108,950.00 •

DISCUSSION

The StrataGen Systems, ADEPT software was initially installed in May 2008. An initial upgrade was implemented in 2013 to ADEPT 6 which is still used by the Paratransit Department for scheduling, dispatch, and communications. ADEPT IQ is the upgrade of the StrataGen system which will improve the functionality of all system components. The improvements will modernize customer experiences by adding a passenger application and web portal for trip management, provide dynamic dispatch by adding optimal dispatching, and improve the technology for bus operators while on the road by integrating the MSlate vehicle units implemented in 2022. The ADEPT IQ configuration will move from a hosted solution to a cloud-based solution and is an open API structure that will integrate with other software programs, as well as allow other transit providers to utilize the StrataGen platform. The price for this upgrade includes the new software technology, additional users, the creation of a testing environment, training for SMART staff and additional users' staff, and the final integration.

PROCUREMENT PROCESS

Procurement Method: \Box Sealed Bid □ Proposal □ Quotes \boxtimes Sole Source

Rationale for award: The StrataGen Software Upgrade, Training & Professional Services can only be purchased from the sole owner StrataGen Systems Inc. Procurement determined the purchase can only be made from one source which meets the sole source procurement method. Therefore, the purchase of StrateGen upgrade hardware and software is authorized as non-competitive for the following reasons allowed by FTA:

> FTA Circular 4220.1F "... Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids...and at least one of the following circumstances apply: (a) The items is available only from a single source.

FUNDING & COSTS

The purchase is funded via: Project 40850; Federal Grant MI-2018-018 (5307); State Grant 2017-0130 P11

The contract costs are summarized as follows:

Description	Cost
StrataGen Software Upgrade, Training & Professional Services	\$1,108,950.00
Total MAX	\$1,108,950.00

SUBURBAN MOBILITY AUTHORITY FOR REGIONAL TRANSPORTATION

RESOLUTION

Authorization to Award a Contract for StrataGen Software Upgrade, Training & Professional Services

Whereas,	The current paratransit scheduling system, StrataGen ADEPT 6 system, was implemented in 2013 and requires an upgrade to ADEPT IQ; and
Whereas,	The StrataGen ADEPT IQ is necessary to improve the functionality of all system components and can only be purchased from a sole owner, StrataGen Systems, Inc; and
Whereas,	The SMART Procurement department determined the purchase can only be made from one source that meets the sole source procurement solicitation. Therefore, the contract for StrataGen Software Upgrade, Training & Professional Services is authorized as non-competitive allowed by the FTA. Price was determined fair and reasonable; and
Whereas,	The project is funded via Project 40850; Federal Grant MI-2018-018 (5307); State Grant 2017-0130 P11
Whereas,	The Director of Finance is satisfied that StrataGen Systems, Inc. has the potential to perform under the contract terms and conditions; and
Whereas,	The EEO Department is satisfied that StrataGen Systems, Inc. is in compliance with the equal opportunity/affirmative action policies of the Federal and State governments and the affirmative action policies of SMART; now, therefore be it
<u>Resolved</u> ,	That the General Manager of the Suburban Mobility Authority for Regional Transportation is hereby authorized to award a contract in the amount not to exceed \$1,108,950.00 for StrataGen Software Upgrade, Training & Professional Services to StrataGen Systems, Inc.
